# INTRODUCTION

## I AM!

### MY ABCs DECREES

- Daily use of these DECREES is a powerful way to affirm self-affirmation intended to defy negative self-concept. These ABCs Decrees are encouraging, motivating and positive affirmations for children and can easily become truer than true when said over and over. It is possible that they can become a part of the child's belief. That would inspire personal growth and self-esteem. This book can become a tool for children to embrace and overcome adversity in their young lives. It also can help children create the amazing beautiful mindful visions of self-love and appreciation.
- Let your child be reminded each day that they are worthy, enough, and that they matter in every situation. I believe that when you change your thoughts and change your words it can possibly change your world.
