

THE CITY OF MANCHESTER

Manchester is situated in the North-West of England. Its population is more than 400000 people. It isn't as big as London, but very interesting to visit.

The Lowry is a huge building where you can find theatres, galleries, restaurants, gift shops and Tourist Information Centre with facilities for weddings

There are lots
of Modern
buildings in
Manchester

There are many
shops and
shopping centres
in Manchester

The most population football team is Manchester United. There's big football Stadium in Manchester. Many football fans from England and other countries come here to enjoy important football events
