The modern world of professions

Some people often say to me:

"Have you decided what you want to be?"

I usually answer, "I don't know,"

But it isn't really so.

I want to win an Olympic race,

I want to see the Earth from space,

I want to travel to Katmandu

I want to be rich and famous, too.

I want to be on Hollywood's screen,

I want to invent a new machine,

I want to be very clever and wise,

I want to win the Nobel prize,

But most of all, I want to be

Healthy and strong, and nice.

YOUR FUTURE PASFESSION

Today we are going to speak about people and their professions.

We will learn some new words to describe jobs.

Then you will listen to some dialogues.

And we are going to listen to your repots about your parents' job.
