"A Witty Guide"

The Florida beach and the blue sky looking inviting to the tourist from the North. He was going to swim, so he asked his guide:

"You're sure there are no alligators here, aren't you?"

"No, no", replied the guide smiling. "There are no alligators here."

The tourist was no longer afraid. He stepped into the water and was about to swim. Then he shouted to the guide again:

"What makes you sure there aren't any alligators?"...

.....

Unpredictable situations:

- Your train is due out in 10 minutes and you are still queuing up at the booking office. Explain your situation to the people who want to buy tickets for later trains and then to the clerk what ticket you want ...
- You are travelling alone. Check in at a hotel and ask a hotel receptionist about conveniences in this hotel ...

- You are at the airport. You are flying to Italy. Your suitcase is very heavy. Besides, you can't find your boarding gate. What will you do ?

- Your friend is afraid of travelling by air. Persuade him to change his opinion. Tell him about advantages of travelling by plane ...

Where would you like to travel to?

*A man travels the world over in
search of what he needs, and
returns home to find it.*
