WHICH TYPES OF HOUSES ARE DESCRIBED?

detached houses

terraced houses

semi-detached houses

flats

Types of houses	advantages	disadvantages
detached houses		
semi-detached houses		
terraced houses		
flats		

Types of houses	advantages	disadvantages
detached houses	free space surrounding the building is belongs to the family	all repairs in the house should be made by the owner
semi-detached houses	some privacy	<ul style="list-style-type: none"> • responsible for the upkeep of your side of the house • cannot just plan repairs or renovations
terraced houses	relatively cheaper than a semi-detached built in the same location	<ul style="list-style-type: none"> • typically no yard or garden that comes with a unit • less privacy
flats	you are not responsible for it – you are only renting.	<ul style="list-style-type: none"> • renting out a flat is that it will never be yours • do not have the right to make repairs or renovations to suit your needs

Ask and answer (Ex.6 p.36)
