

Задание №3

Формулировка задания предполагает описание фото и выглядит следующим образом:

Imagine that while traveling during your holidays you took some photos.

Imagine that you took these photos when you encountered a problem while travelling last year.

Imagine that you are showing photos of sports competitions held last month.

Imagine that you are looking through your family album.

Imagine that you have taken these photos for the project about jobs / keeping fit.

Imagine that you are showing pictures about hobbies in your family.

Imagine that while celebrating New Year / Christmas / Halloween you took some photos.

Imagine that you are showing pictures of your pets to your friend.

Imagine that you are showing pictures of your friends doing their hobbies.

Imagine that you took these photos while shopping / while walking in the park / while attending a music festival abroad / while sightseeing / spending time out with your friends / while staying in the countryside with your parents / ...

Choose **ONE** photo to present to your friend.

You will have to start speaking in 1.5 minutes and will speak for not more than 2 minutes.

- In your talk remember to speak about:
 - **when** you took the photo
 - **what/who** is in the photo
 - **what is happening**
 - **why you took** the photo
 - **why you decided to show** the picture to your friend

You have to talk continuously, starting with:
I've chosen photo number....

- Монолог учащегося должен начинаться с фразы, обозначающей **номер выбранной фотографии**. Это предложение должно быть обязательно, так как оно **ориентирует экзаменатора**.
- В качестве собственно вступительной фразы можно предложить следующее:
Will you please have a look at one of my pictures taken while ...? / You know, taking photos is my favourite hobby and I always take loads of photos wherever I go / while sightseeing /...

- Первый пункт плана должен отражать ***различные обстоятельства времени*** – когда была сделана выбранная учащимся фотография. По сути, первые две фразы могут быть стандартными, вытекающими из самой формулировки экзаменационного задания. I took this picture while traveling. Actually, it was on my holiday. Последняя фраза нуждается в **уточнении** в зависимости от выбранного снимка, например: It was (**сезон, месяц, год и т. д.**).

- Важно развести **второй** и третий пункты плана. Так, раскрывая второй пункт, **необходимо назвать, что (или кто)** запечатлено на фото. Если на фото есть **несколько разных людей (предметов)**, проще будет назвать их, **перечисляя**.
- В **третьем** пункте необходимо описать момент, запечатленный на фото, **происходящее действие**. *Достаточно будет трех предложений в **Present Continuous Tense**.*

- Четвертый пункт плана полностью поддается клишированию, например: I took this picture because I wanted to remember this wonderful moment of my trip forever. This shot will make me feel the atmosphere of my holiday every time I look at it. I must say this was a very special day of my travel.
- Пятый пункт плана, как и четвертый, также полностью поддается клишированию, например: I decided to show this photo to you as I know you always like to look through my holiday pictures. Maybe one day you will want to experience it yourself. I'd like to see your photo in this place as well.

- Заключительной фразой монолога может стать нечто вроде: I hope you have found the picture interesting and attractive./ I hope you like my picture. / ...
