

My future summer holidays.

Tikhonov Oleg 5 «Б»

I must go down to the seas again, to the lonely sea and the sky,
And all I ask is a tall ship and a star to steer her by,
And the wheel's kick and the wind's song and the white sails
shaking,
And a grey mist on the sea's face and a grey dawn breaking.

John Masefield

* To have a good rest, do not have to go abroad. In our country there are many wonderful places to stay. Last summer our family was in Crimea. I liked last holidays. In future summer we want continue our travel in Crimea.
