Song: Cold in winter. Listen and look at the pictures.

*I don't want any more. – я не хочу ничего больше.

Do you sometimes stop and wonder
About the things that you really like?
Your favorite food and your favorite color,
The wind in your hair when you're riding your bike?
What things do you like?
When it's cold in winter,
After school when you're home and free,
I wonder...
Do you like the same things as I do?
Tea and cheese sandwiches and watching TV?
TV tea and cheese sandwiches,
a cushion to lie on the floor.
TV tea and cheese sandwiches,
I don't want any more*.
But yes, there's something to read.
Turn off the TV. There's nothing to see.
Please give me my tea and lovely cheese
sandwiches,
And something exciting to read.
