Uneven skin tone - Dark spots - Skin

DISCO - EXFOLIATING DERMOCOSMETIC SOAP

Daily body hygiene care

- Natural peeling and cleansing,
- Reinvigorating,
- Helps unifying skin complexion.

Active ingredients

Chondrus crispus algae very rich in mineral elements, iodine and sulfur, generate a mechanical peeling.
Arbutin acts deeper by regulating tyrosinase activity.

Directions to use

Daily use for body hygiene.

Tips

Use Disco Emulsion for face hyperpigmentation disorders.

125 g

DISCO - UNIFYING MICELLAR SOLUTION

Facial cleanser

- removes all traces of makeup, sebum and impurities without stripping or irritating the skin in one step.

Active ingredients

Complex of carefully-purified natural soy and rice peptides: anti oxidant, protects the skin of the phenomenon of hyperpigmentation and brown spots

Allantoin: help remove dead cells, regenerates the skin and restores radiance and softness.

Mirabilis Jalapa extract: reduces skin dryness, strengthens and moisturizes the skin

Directions to use

Soak a cotton pad with our Micellar Solution. Gently cleanse and remove make-up from your face and eyes. For external use only

Tips

Micelles are cleansing molecules which act like magnets to capture all impurities without irritation, rubbing and rinse out.

200 ml

DISCO - LIGHTENING MOISTURIZING MILK

Daily lightening body care

- Moisturizes immediately,
- Repairs in depth,
- Suitable for dry to very dry skin.

Ingredients

Shea butter + Beeswax + Sweet almond oil + Chamomile extract with nourishing, protective, softening and soothing properties

Actiwhite™ for a natural skin lightening by inhibiting tyrosinase activity.

Directions to use

Apply morning and evening on cleansed skin.

Its plus : Its non sticky texture leaves your skin soft, and supple.

Moisturizing properties of Disco Milk

- + 50,4% after 2 hours application
- + 54,1% after 4 hours application
- + 51,4% after 8 hours application

200 ml 500 ml

Uneven skin tone - Dark spots - Skin

OSMOSIA - DEEP MOISTURIZING GEL

Daily hydrating face care

- Improves and regulates moisturization,
- Reinforces natural defenses,
- Contributes unifying skin

Ingredients

Combination of two osmolytes, "erythritol & homarine", to maintain the hydration of skin made fragile by environmental aggression and improve the water holding capacity of the cell.

Betaine controls water balance in skin and has significant lightening effect on the hyper pigmented spots.

Directions to use

Apply morning and evening on cleansed skin

Moisturizing properties of Osmosia

- + 72% after 2 hours application
- + 66,3% after 4 hours application
- + 47,1% after 8 hours application

--> increases significantly, in comparison with T0, the hydrating level of the treated area.

Made by Farcoderm Laboratories, March 2015

50 ml
125 ml

DISCO - SPOT & COMPLEXION CONTROL MICRO

EMULSION

Daily lightening face care

- Clears brown spots and unifies skin tone,
- Boosts cell renewal,
- Keeps adequate hydration.

Directions to use

Apply morning and evening on cleansed skin for 3 month or as per recommendation.

Ingredients

Melanostatine 5 a skin lightener peptide which reduce the melanin synthesis by 33% in melanocytes.

Lumiskin known as diacetyl boldine, works by stabilizing tyrosinase in its inactive form.

Enzymatic exfoliant that gently eliminates the dead cells to reveal younger, healthier looking skin.

Its plus : Its non sticky texture leaves your skin soft and supple.

Aloe vera, Almond oil and Provitamin B5 for their moisturising properties.
Vitamin E with anti oxydant properties.

40 ml

REGARD - INTENSE GEL

Eye surrounding gel

- Helps decongesting, decreasing redness,
- Helps to maintain a balanced hydration,
- Immediate sensorial efficiency, a short and long term skin tensor,

Directions to use

Apply once a day on cleansed skin.

Its plus : immediately absorbed, bringing freshness and well-being sensation.

Ingredients

Sodium Hyaluronate

Sea Mayweed a seaside plant with anti redness and anti-inflammatory properties.

Polysaccharides and Vitamin PP improve the vascular system and skin microcirculation = lighten the color of circles and render skin color more uniform.

Natural polyoses obtained from oats with tensor and smoothing effect = "lifting film".

15 ml

One skin condition, one color
solution

REGULATOR

Synergistic action for a clear, healthy and blemish free skin

Multi-level action - targets both surface and in-depth layers of the skin.

Synergistic active ingredients to treat acne and manage oily skin appearances.

40 ml

JUVENIA - REJUVENATING CREAM

Anti ageing face cream

- helps decrease wrinkles and fine lines,
- brings the famous « BX euct »,
- relaxing, firming and filling action.

Active ingredients

Matrixyl a pentapeptide (palmitoyl oligopeptide & palmitoyl-tetrapeptide-7) with anti ageing properties

- > stimulates synthesis of Collagen 1 by 258% and hyaluronic acid by 179%

Argireline, anti-wrinkle hexapeptide with a Botulinum Toxin-like mechanism of action.

- > reduces the depth of wrinkles on the face caused by the contraction of muscles facial expression, especially in the forehead and around the eyes.

JUVENIA

TIME CONTROL SERUM

Anti ageing serum

- combats the appearance of wrinkles, fine lines,
- collagen booster,
- improves skin texture and elasticity, making the skin appear younger and healthier.

Active ingredients

Matrixyl (palmitoyl oligopeptide & palmitoyl-tetra- peptide-7) collagen booster and anti ageing.

Osilift a skin tensor with immediate euct and anti wrinkle long term action.

Linefactor redensifies the dermis more efficiently than vitamin C, rejuvenates skin texture and density.

Sodium hyaluronate : powerful moisturizer and water holding.

JUVENIA

NECK FIRMING CREAM

Neck Lifting

- provides a “lifting” action on the sagging neck skin and the oval of the face,
- helps to sculpt and restore a youthful neck line

Active ingredients

Leontopodic acid: the first active ingredient to provide a visible lifting action.

Vitamin E : anti oxidant

Hyaluronic acid: toning and smoothing euct of the skin surface and wrinkles

- > *Repulping euct* that reduces the appearance of wrinkles and fine lines

Matrixyl: repairs the matrix and cellular junction, reduces wrinkles and lines and stimulates regeneration

50 ml

Mature skin - Anti ageing

Laminaria digitata, alga extract rich in sugars, minerals and amino acids.

- > polygalactosides form a protective moisturizing complex.

-> fucose polymers are hygroscopic and act as hydrating agents.

- > ursolic acid helps to form a protective barrier on the skin.

Directions to use: Apply morning and evening on face.

Directions to use

Apply morning or evening on cleansed skin for 3 months.

Its tips

Texture penetrates easily

Instructions for use

Apply morning and evening on neck and oval of the face.

One skin condition, one color
solution

Sun protection with high level SPF50, water
resistance and comfort to end user

Optimum and constant protection that covers the entire UV.

Protection against photodamage and premature ageing of the
skin. Excellent water resistance. Excellent tolerance.

Feeling of comfort and softness.
