

My favorite genre in music

Grunge - substyle of alternative rock, which formed from punk-rock and heavy metal in Washington state in Seattle in mid-1980s. Most popular groups in this genre is Nirvana and Alice in chains.

My favorite group is Pasosh(Пасош). It was created in 2014 by Petar Martić, Kirill Gorodny and Gregory Drach. Pasosh is translated from Serbian as passport.

Petar Martić - frontman of group, soloist.  
Moreover, he playing on bass guitar. He was  
born in Serbian that why group named in  
Serbian language.

Kirill Gorodny, he playing on guitar.

Gregory Drach, he playing on drums.

Thank you for listening!
