My pet

Many people like to have a pet at home. Most people get a cat or a dog as a pet. Some people have a hamster, a parrot, a canary. Some have a turtle or fish. If you have a pet, you should take good care of it. You have to feed your pet, to play with it, to take it for a walk and sometimes to cure it. If you don't want to spend much time, get a turtle or fish. But if you really like animals, you get a cat or a dog.

As for me, I have a dog as a pet. My dog's name is Betty. She is not very big. She is grey and white. When I come home she is very glad, she runs to me and jumps. I take my dog for a walk every day. I like to play with Betty. We usually play ball. Betty is a very clever dog. She can understand many words. She likes meat and milk, besides she likes sweets and ice cream very much. I love my dog and she loves me too.
