2020-Year of the Metal Rat

People born in this year are expected to possess qualities associated with rats, including **creativity**, **intelligence**, **honesty**, **generosity**, **ambition** and **a quick temper** .

To attract “the Lucky Rat Year”
we must possess those qualities too.

Generosity today!!!!!!!!!!!!!!

Watch the video about the reaction to the presents!!!!

(What is the best reaction to show?)

**Dear students,
You will be like Santa
at our party!
Bring your presents

Retelling the anecdote about Ted

Ted worked in a factory, but he was not very good, and he lost his job one day. His wife looked in the newspaper and said, 'One of the banks wants a guard.'

'I'm going to go there tomorrow,' Ted said, 'and I'm going to ask for that job. It's quite an easy one, and I'm quite strong.'

The next morning he went to the bank at half past nine and said, 'I want that job here. The guard's job.'

A man gave him a piece of paper. There were a lot of questions on it. 'Write your answers under the questions,' the man said to Ted.

One of the questions was, 'Have you ever been in prison?'

Ted smiled happily and wrote 'No' under this question.

Then he looked at the next question. It was 'Why?'

He thought for a long time and then he wrote, 'Because the police have never caught me.'

Words not in the 750: guard (n.), job, police, prison

Let it Snow

© christmas.365greetings.com

Oh the weather outside is frightful
But the fire is so delightful
And since we've no place to go
Let It Snow! Let It Snow! Let It Snow!

It doesn't show signs of stopping
And I've bought some corn for popping
The lights are turned way down low
Let It Snow! Let It Snow! Let It Snow!

When we finally kiss good night
How I'll hate going out in the storm!
But if you'll really hold me tight
All the way home I'll be warm

The fire is slowly dying
And, my dear, we're still goodbying
But as long as you love me so
Let It Snow! Let It Snow! Let It Snow!

Let's write!
