My future profession

So, a doctor
is one of the
oldest
professions
ever existed

Plan:

1. My future profession is a doctor
2. My choice

My future profession

- ▣ There are many interesting and noble professions. I want to be a doctor. It is an interesting profession.
- ▣ I understand that it is necessary to study a lot to become a doctor. I also understand that this profession requires great responsibility because it deals with the most precious thing that a person has — with his health.

MY CHOICE

I know that this job is quite difficult and I must know a lot of things. But I am not afraid of any difficulties. Besides a good doctor should be not only well-educated. He must be careful, polite and attentive. A good doctor should take care of their patients and try always to help them. My parents have no doubt that this is the right decision.
