A driver has been sent to jail for driving with excess alcohol.

Graham Smith, 29, of North Street, Barton, was stopped by police officers near his home last November and was found to have drunk almost twice the legal limit for drivers, Didcot magistrates heard on Tuesday.

Twelve months earlier Smith had been disqualified from driving for three years for drunk-driving.

He was disqualified for twelve months in 1986 for a similar offence.

Mr. Peter Jones, defending, said Smith had used the car to visit a sick friend.

He said Smith was depressed after the visit, and went to a pub and drank five or six pints before driving home.

He was caught by the police during a routine speed check in Wantage Road, Barton.
