

CZECH REPUBLIC

- Weather & climate
- Best time to visit:
- The Czech Republic is an all year round destination. The climate is very seasonal – spring, summer, autumn and winter are very distinct, as epitomised
- Geography
- The Czech Republic is a landlocked country situated in central Europe, sharing frontiers with Germany in the west, Poland in the north, the Slovak Republic in the east, and Austria in the south. Covering only about one-third of the area of the United Kingdom, the country is hilly and picturesque.
