

- Take out "Telegram icon"
- I'll get an iPhone 7 mock-up, so the screenshots fit properly. Besides, I want to take screenshots from the prototype tmrw
- Add the profile pic to Ticton Beta (attached in the email) profile
- Header: Change to "About Ticton" (change from "us")

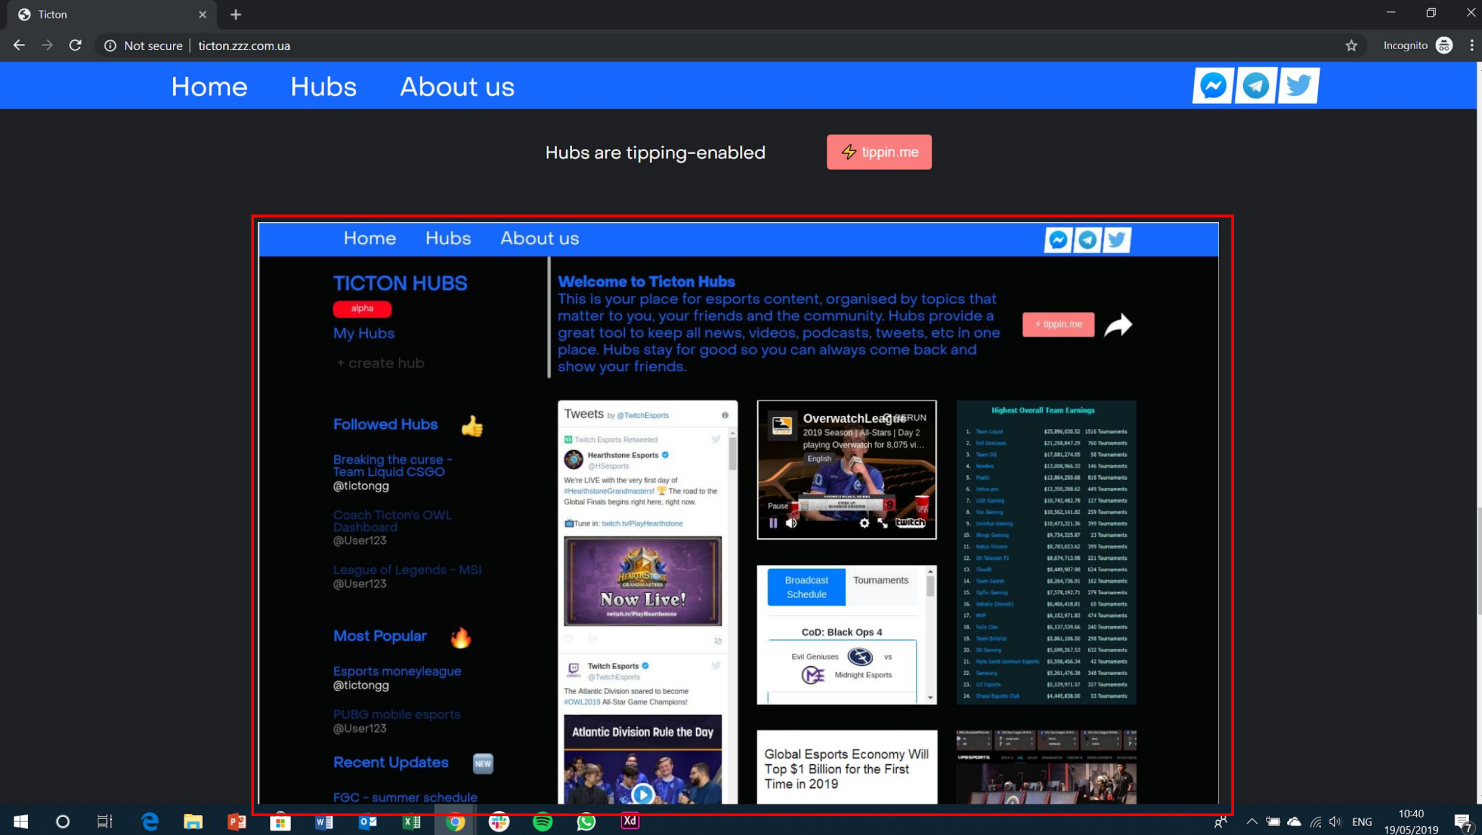

- Please write "FGC + racing cups" [it's got a typo and the "+" needs a spacing]

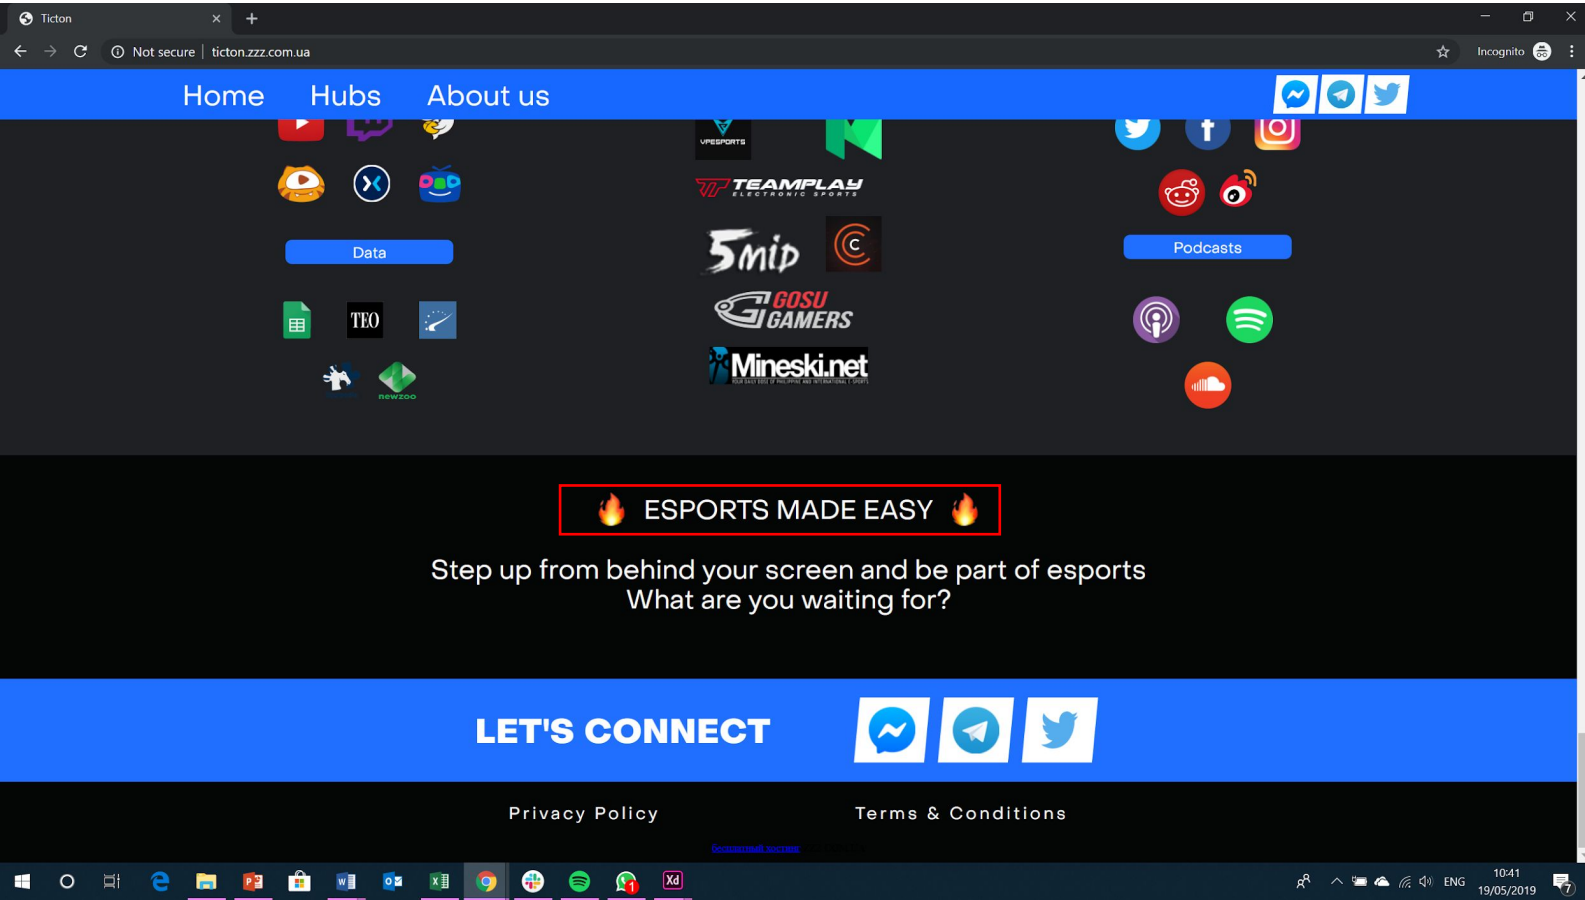

- I'll get you better screenshots + I want to use the chatbot prototype (Mon, 20 May)

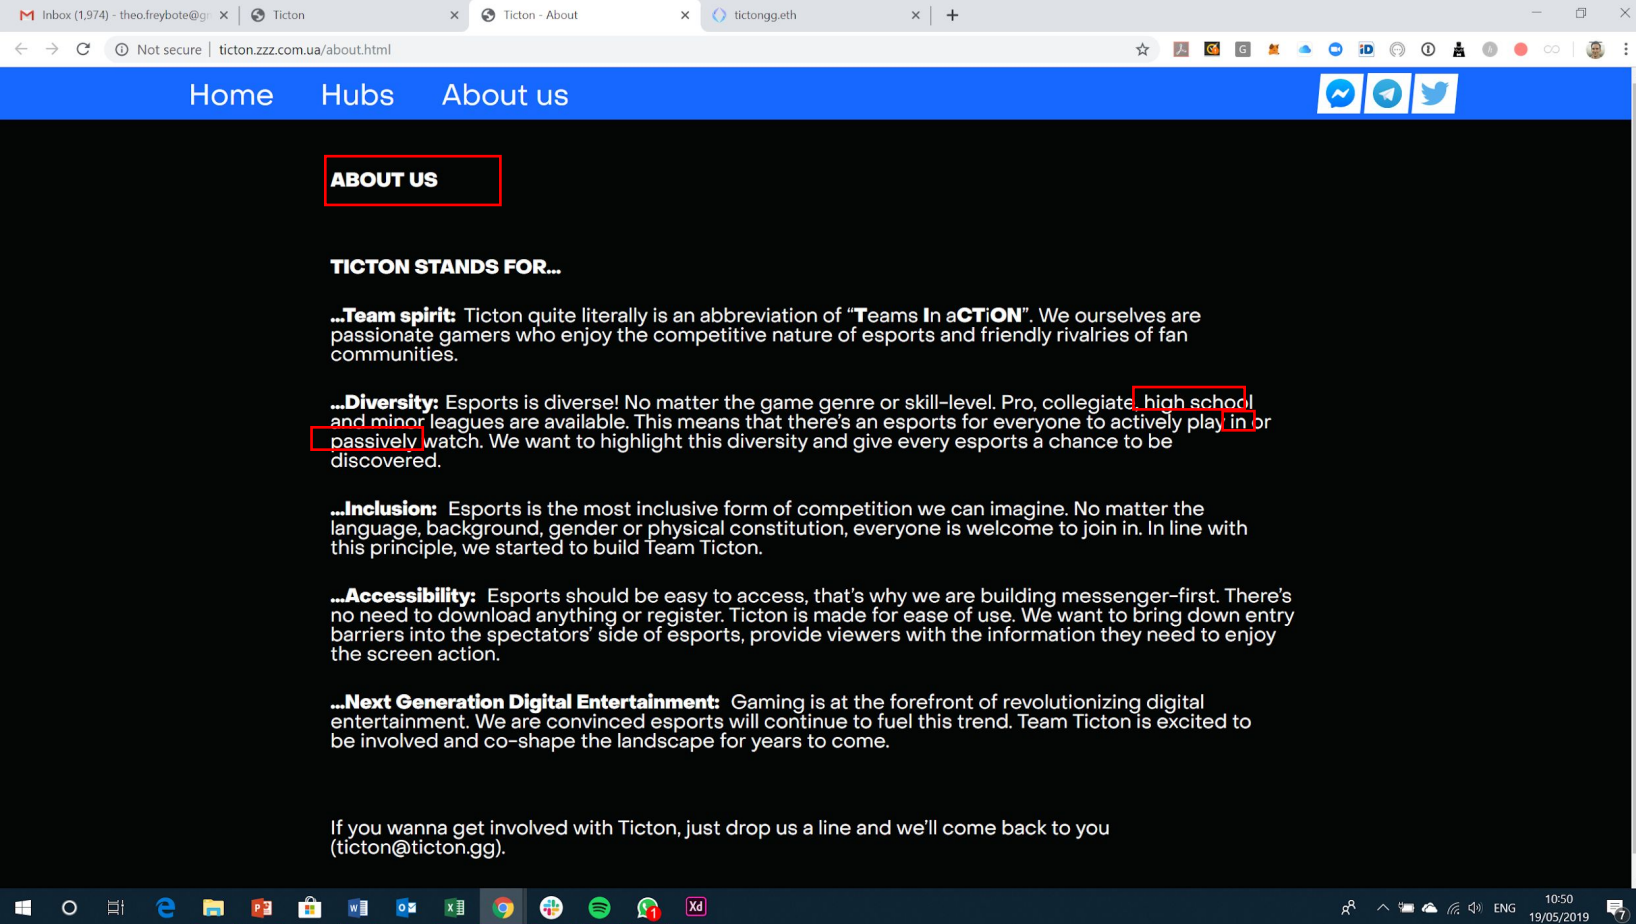

- Please write headings in ALL CAPS
- Please remove white line from the boxes

- Utilise slightly updated Hub (see hubs comments)

- Take out Telegram icon

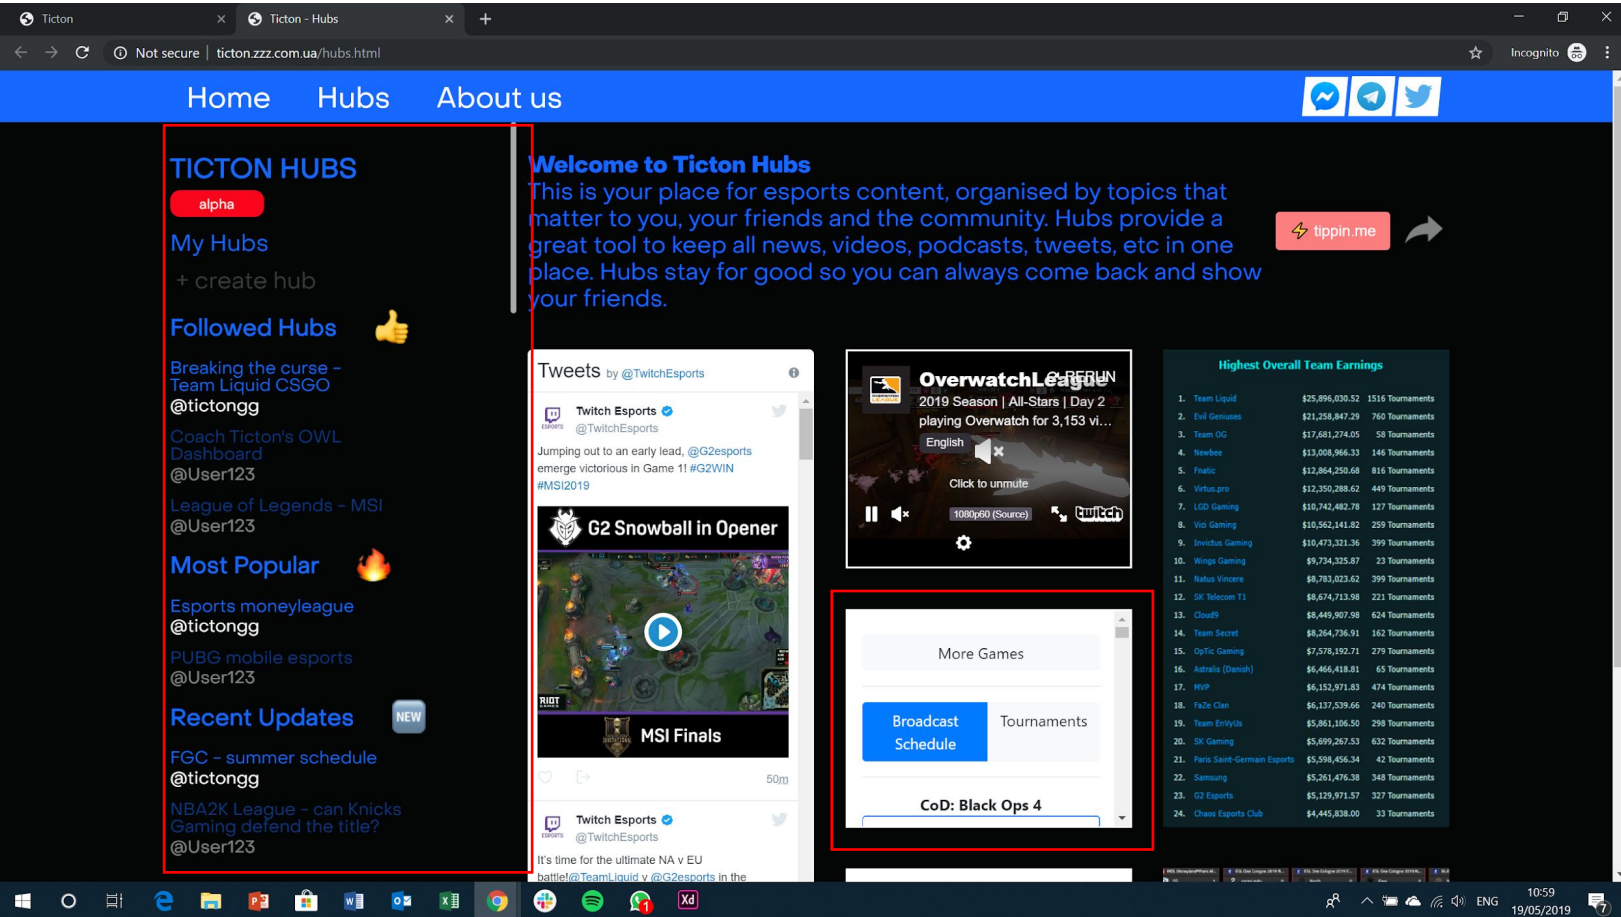

- Change to “About Ticton”

- Delete “high-school”

- Delete “in”

- Delete “passively”

- Please replace with @tictongg (Twitter feed)

- Take out the scroll bar. It's confusing and you have already fit all elements onto one screen
