Most people prefer modern music. Modern music is performed by TV and radio. Modern music has different kinds: pop, rock, disco, rap, techno and others. Most young people like dance and pop. Older people are fond of jazz, rock and pop. There are a lot of singers or music bands who perform this or that kind of music. Now there are a lot of discs and records of different performers.

The last achievement in music production is a clip. Musical clips are short films accompanied by the melody. It may be a short story what the song is about or simply a great number of different pictures. People like to watch clips because it's not only listening to music but also watching interesting things. I'm fond of music and like to listen to it for it helps me to have good relaxation.

Carolina Myroslavivna Kuyek, better known as Ari Lorak was born September 27, 1978, 1999 Ani Lorak became the youngest Honored Artist of Ukraine. In the same year the singer personally acquainted with the famous Russian composer Igor Krutoy, in Collaboration with the composition that appears 'Mirrors'. Between Igor Krutoy and Ani Lorak signed contract, which comes into force in spring 2000. In 2002, Ani Lorak Oksana acted as a musical comedy based on the works of Nikolai Gogol "Evenings on a Farm Near Dikanka."
