

STORY ABOUT  
MYSELF

# HELLO

My name is  
Liza Gorbatova. I am  
20 years old.

# My family <3

I live with my mom. My grandma with grandpa comes to visit us every winter. I'm the only child in my family. My mom and I usually spend time together, we like to go to theatre or to the cinema. When my pensioners comes, we start hate each other, so this is our tradition.

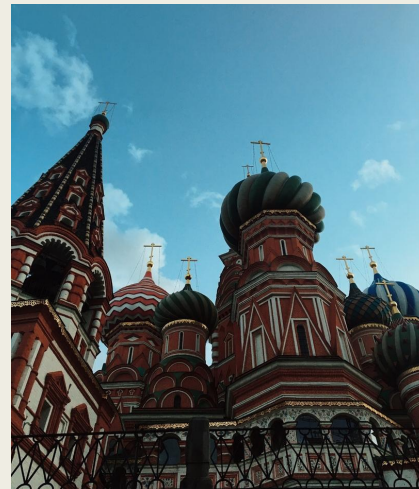

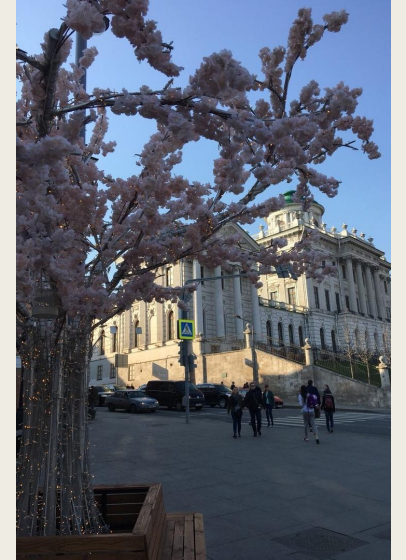

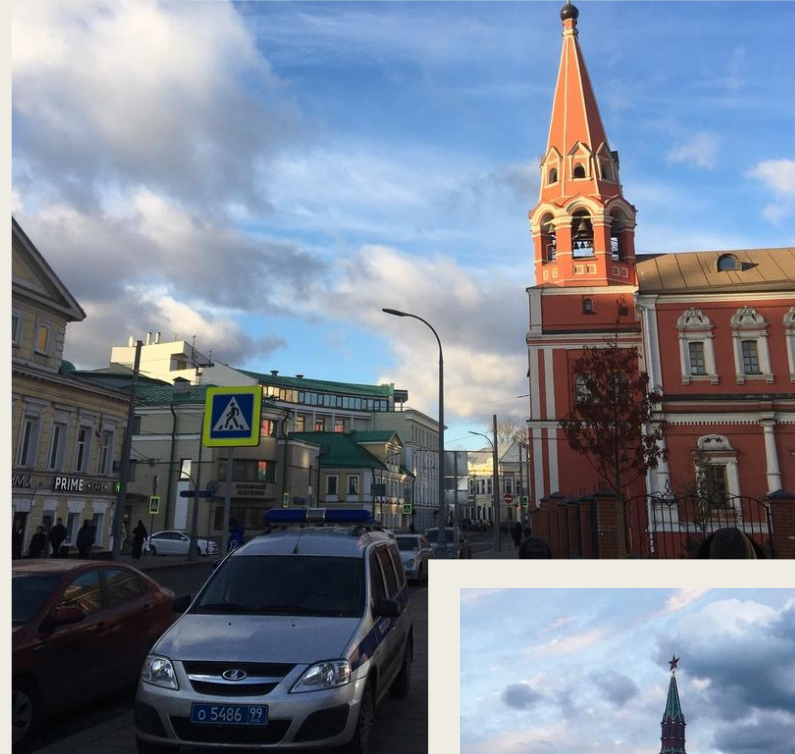

Moscow is the capital of Russia. It is famous by the very beautiful architecture and also a lot of landmarks.

Many famous writers have been leaving there, for example

- Esenin
- Blok

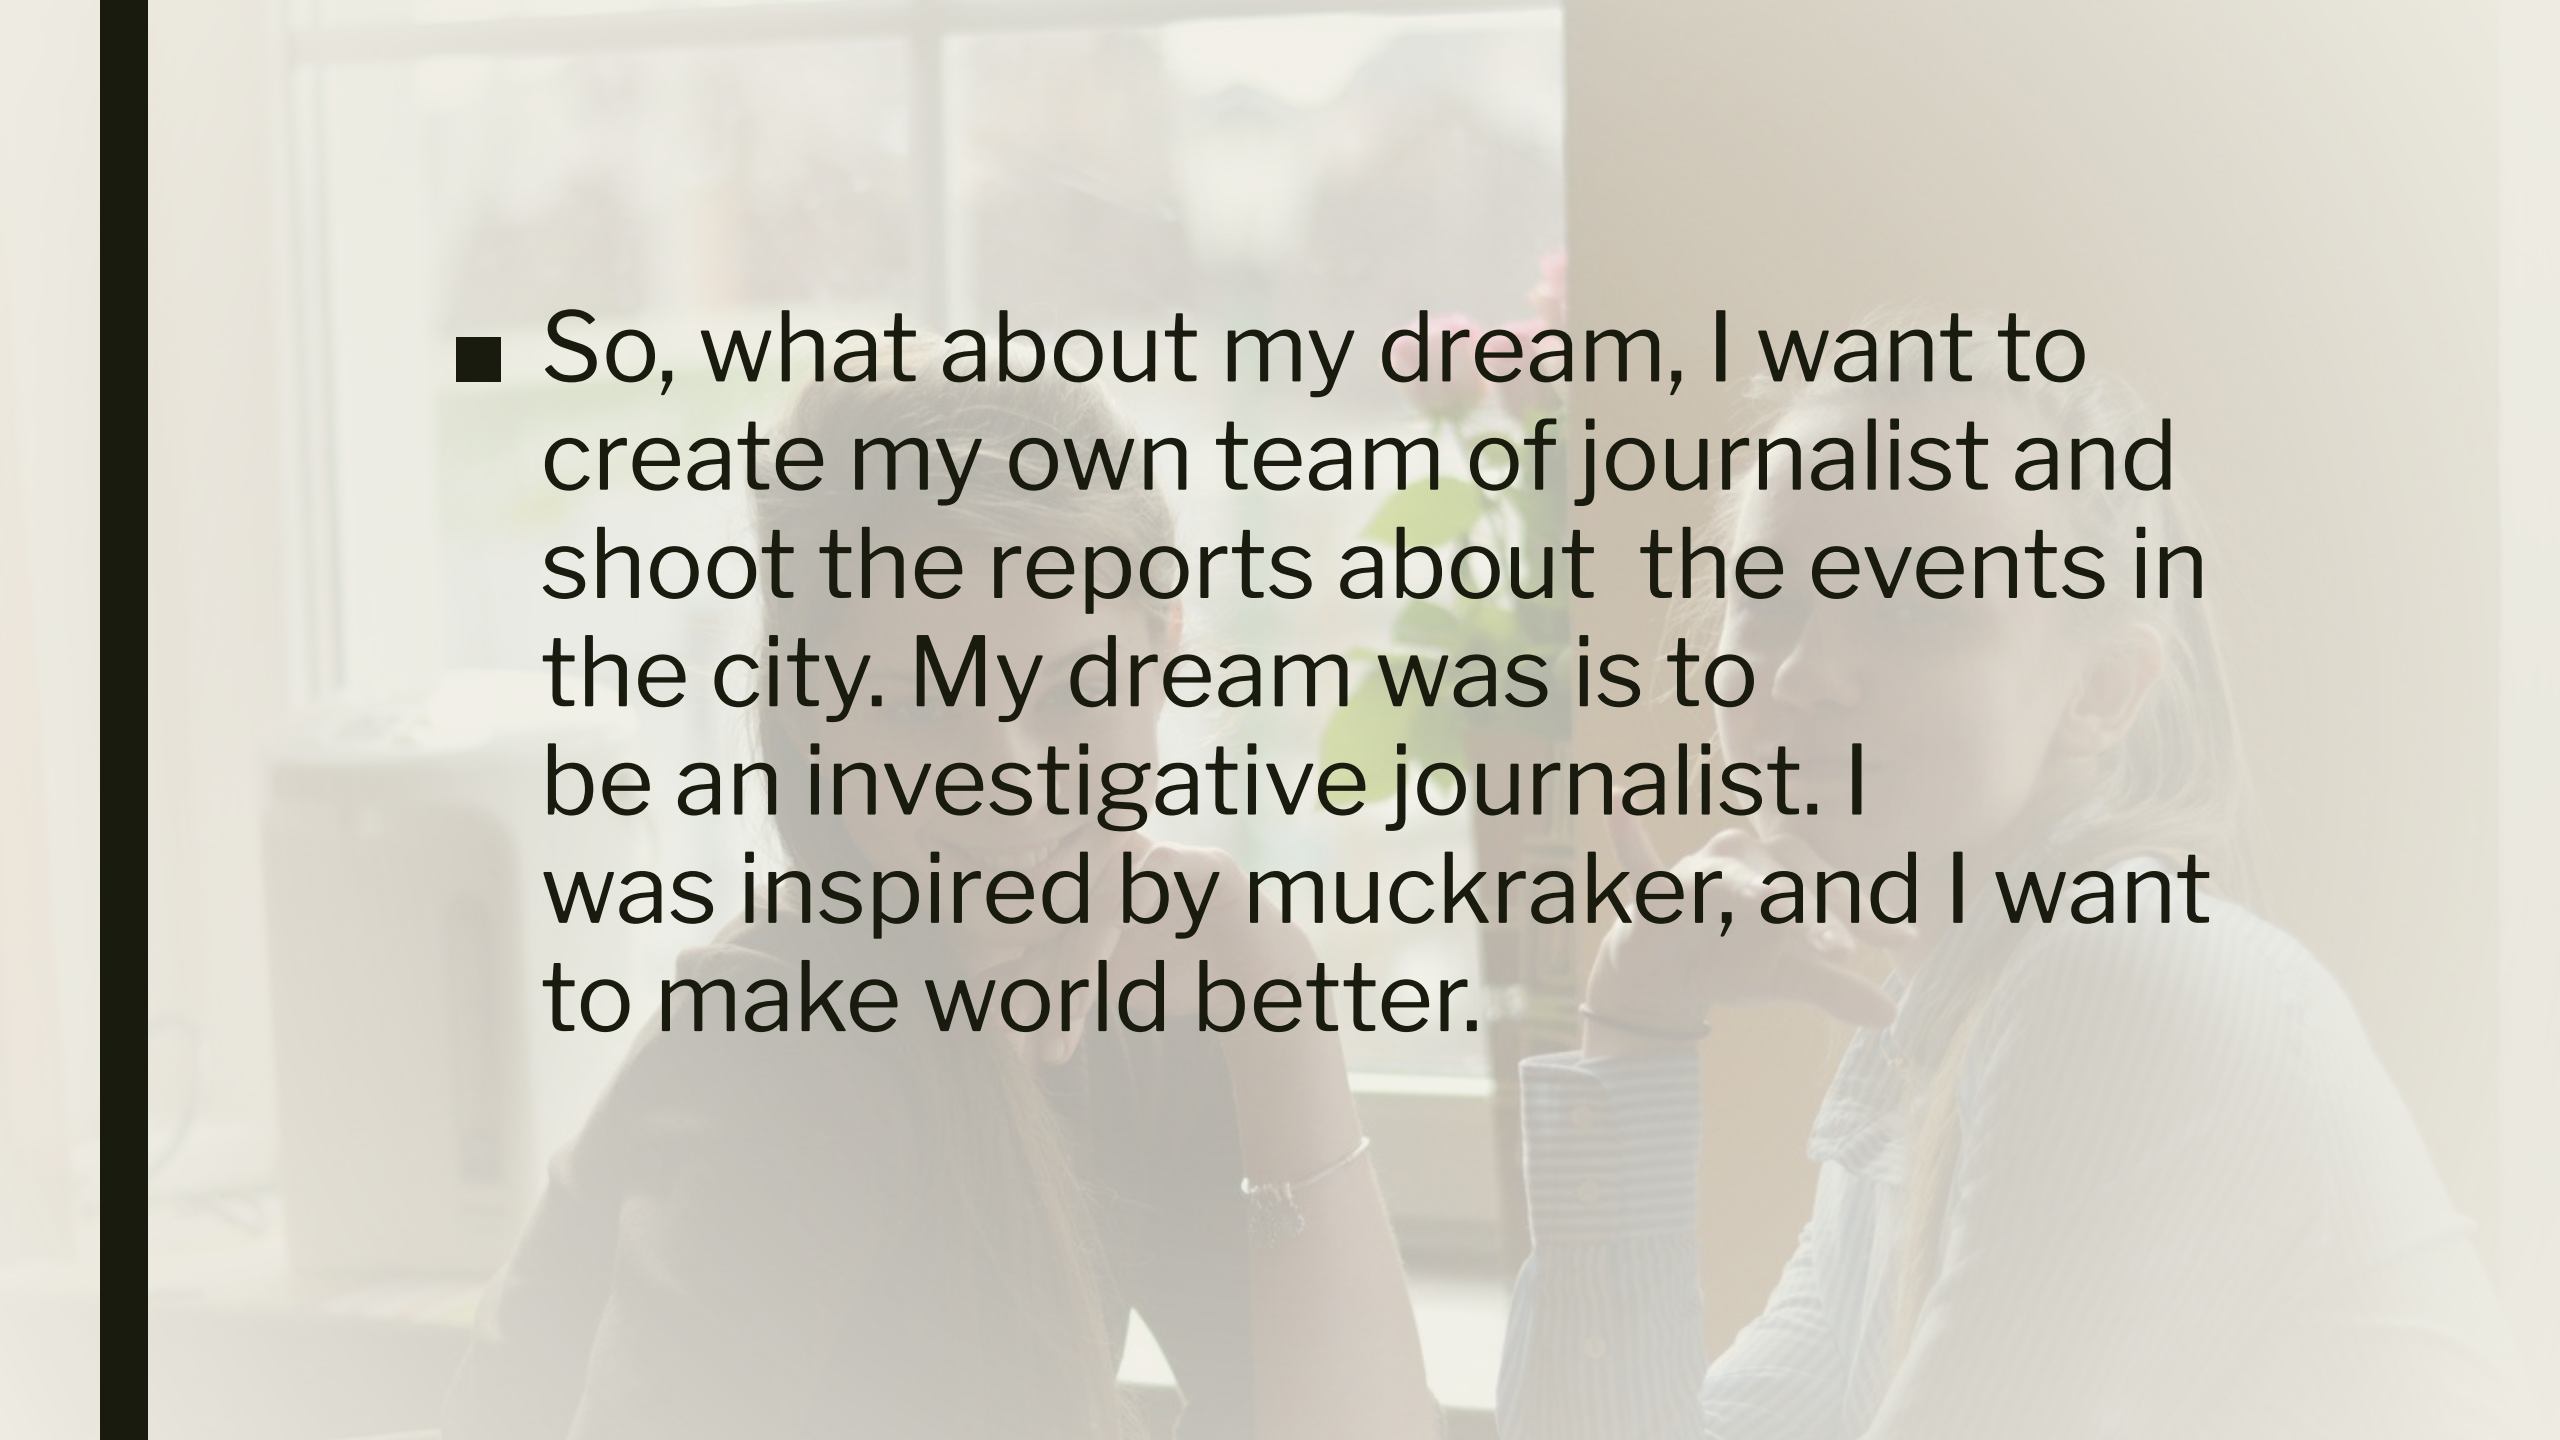

I like to read books, sports, to spend my holidays with my friends, for example, go to the museum. I listen old-school hip-hop and rap, but also I love Feduk, because he's cool man

- I have studied in a private school, and my lovely subject was literature. Many people asks me, Liza, why do chose the journalist, so, I like to read news, so discuss them with people, and I like to be informed.

- 
- So, what about my dream, I want to create my own team of journalist and shoot the reports about the events in the city. My dream was is to be an investigative journalist. I was inspired by muckraker, and I want to make world better.

I meet another journalists,  
lawyers and operators  
every day. Well I enter to  
this university ,because I  
want to be professional.

THANK YOU  
SEE YOU SOON
