Look through the two articles quickly.  
Guess which of the headlines go with  
these articles.

Don't leave your career planning too late – the earlier you know your future, the earlier you can plan to make it happen! It's good if your parents believe in you and your future. But also mind that there are special centers which help teenagers to plan their future. Many of them now have web sites on the Internet.

**"Health Facts"**

**"Who Knows Where You'll Travel"**

Building the Channel Tunnel between England and France was the biggest European engineering project in history. A tunnel was first suggested by French Emperor Napoleon in 1802. Many engineers produced plans in the 19<sup>th</sup> century. In the 1880s a start was made to the tunnel. But two world wars made the tunnel dangerous for Britain.
