Trend # 1: Fashion Denim

- Fashion 2018 offers to dress in overalls, shirts, pants, sundresses and denim dresses.

Trend number 2: Cozy knitwear

- In everyday life, knitted dresses, suits, skirts, jackets, tops and sweatshirts are simply necessary.

Trend # 3: Turtlenecks and Turtleneck Dresses

- With it, you can create interesting images for every day.

Trend # 4: Focus on Waist

- In order to visually emphasize the waistline, you need to use accents.

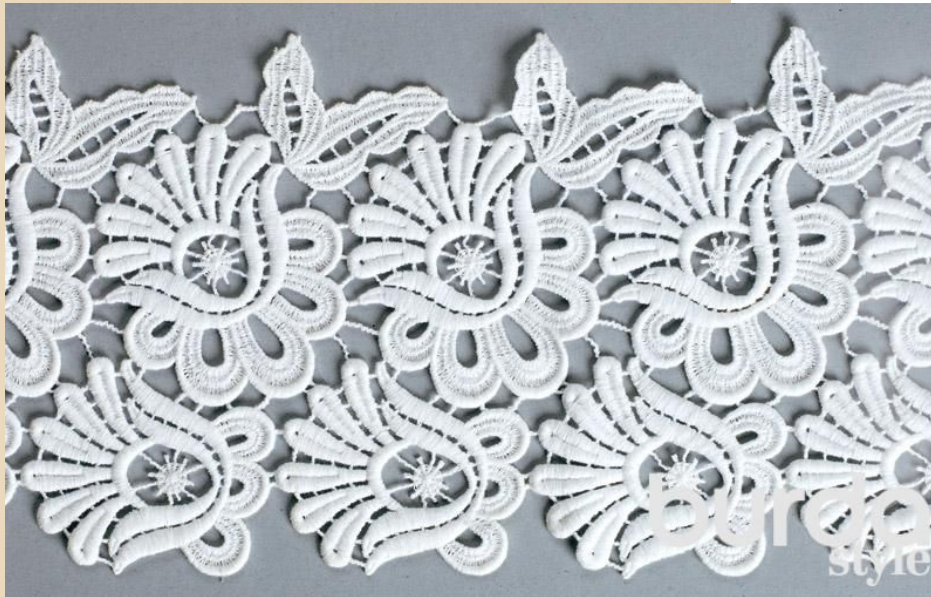

Trend # 5: Bulk Down Jackets

- To the winter cold you feel comfortable and very warm, pay attention to the voluminous down jackets.

Trend # 6: Lace

- The main designer find in the fashionable season of 2018 was weightless lace.

Trend # 7: Shirt Dress

- Now dress shirts have become a fashionable trend in clothing, which simultaneously embodied severity and femininity.

Trend # 8: Free Style

- the only trend I like
- Clothing "Overseas", thanks to the convenience, is actively used to create bright, fashionable images.

thank you for attention
