*The Faculty of Natural
Sciences*

The Faculty of Natural Sciences has six Departments.

They turn out

- ecologists
- biologists
- chemists
- geographers
- hotel managers
- tourism specialists

At the Ecology Department studying agricultural disciplines students come to realize man's responsibility for survival of Natural. Ecology is the study of interaction of living and non – living organisms and their environment.

At the Chairs of special biological subjects students receive comprehensive knowledge of Nature. Biology is the study of living organisms and a man is a reasonable one among all of them.

Courses in organic and inorganic chemistries give would be specialist an insight into the chemical structure of animate and inanimate matter.

The Tourism Department turns out tour – operators, tourism managers, animators, guide excursionists.

Students are also involved in research work. The results of their investigations are presented at the annual scientific conference.

Students take part at the performances of Students theatre "Perechod".
