Use a **title** with specific & relevant (only) **content**

- People CAN'T listen while reading your slide.
- Always stick to the most important message.
- Less is more... be concise.
- And don't kill your presentation with too many bullet point slides. Use visuals instead!

Using a **light background** is an option to be considered

- A light background might be easier to read
- Is a better option if you intend to print your document
- Suits diagrams or graphics insertion

Relevant content displayed with 2 columns is also nice!

- Lorem ipsum dolor sit amet, duis eu. Metus tortor. Eu ut lorem, est sodales amet.
- Maecenas nam mattis, condimentum semper tristique. Morbi sed diam ullamcorper cubilia et.
- Lectus mi at, inceptos lacinia necessitatibus. Velit risus suspendisse.
- Tempor ut id, nam praesentium, ridiculus dui sodales. Justo ipsum magna, massa nec

A photograph of a person's hands forming a heart shape against a backdrop of green hills and a blue sea. The hands are positioned in the center, with fingers pointing upwards. The person has dark purple nail polish on their fingernails. A small, temporary tattoo is visible on the middle finger of the left hand. The background shows a coastal landscape with green hills and a clear blue sea. The overall image has a warm, summery feel.
