The class is divided into two teams

Each team chooses one student to play. They stand in front of the board with their backs turned.

The flashcards are demonstrated on the board (screen).
Players can't see them. They could guess while the teams
are giving brief description of the card (definition).

A bed!

**A piece of
furniture to
sleep on**

If the player doesn't know the answer, the other one can guess and get the score.
