### **Weston Wins Again!**

For the third year running, Weston College has won the annual Williams Trophy Cup. The silver cup was given by Peter Williams when he retired as Head of Physical Education at Weston College after ten years of service. Before this, however, he spent five years teaching sport at Minett Academy. The two colleges, only two kilometers apart, have traditionally been sports rivals. With this in mind, Mr Williams decided to celebrate his career with an annual football match. This year Weston won 3-2 in a closely-fought game. Sadly, Mr Williams was unable to present the Cup in person, as he was unwell.

## Section 8

### 47. Sample answer.

Dear Mitch – I read an article about go-karting at Dayside Park Circuit. It's got different racing tracks and karts for different age drivers – anything from children aged 4 up to adults. We would be in the category of Juniors I think. I've always loved watching motor racing and I think this is the nearest I'm going to get to it. The thrill and the speed! Fantastic! Would you like to come with me? How about next Saturday February 16th at 2.00pm? Do say yes!
