WESTMINSTER ABBEY

WESTMINSTER ABBEY

Westminster Abbey is a symbol of England. It's a royal church. The legend says that Westminster Abbey was founded by St Peter himself. We know that Westminster Abbey was built by King Edward in 1065. The coronation of all British Kings and Queens takes place in Westminster Abbey. Some famous English people are also buried here. Here you can see the tombs of many British kings and queens and other famous people.

TOWER OF LONDON

THE TOWER OF LONDON

The Tower of London is a very old building. It is nine hundred years old. In the early days of England the English kings lived in the Tower. Then it was a prison where many people died. Black ravens had much food near the walls of the Tower in those days. Black ravens live outside the Tower now. The English people like them very much. Now it's a museum housing the National Collection of Armour and Royal Regalia. Many tourists from other countries come to see it. They see the dark stone halls with small windows and thick doors. The Tower is still guarded by the famous Beefeaters who wear a traditional Sixteenth century uniform.
