I see a red colour.

I see yellow, pink and brown.

I see grey, white and green -

Jump across the ring!

I see purple, orange, and violet.

Everybody gets a sweet.

I see black and blue -

It's me, he, she and you!

Rainbow

In the blue sky there is a bright rainbow.
It'll bring me good luck, I know.
Yellow color will give me great health.
I consider violet to bring me some wealth.
Green will present me hundred years to live.
Blue will give fortune, I sure believe.
Red color will award me with marvelous love.
Of all of my feelings that is above.
Emerald color will send me good friend,
Who gives me in need his helping hand.

there is a dark, dark room.
And in that dark, dark room,
there is a dark, dark chest.

И благостью и братством будь
хранима
От сих гор до золотых озер.

Happy New Year!

Red Nose Day

- For one day of the year, Britain goes crazy. People all over the country (even police officers and teachers) wear red noses and do silly things. It's Red Nose Day - the day when doing really stupid things can raise loads of money for charity. All the money raised on Red Nose Day goes to people who need it most - to poor and disadvantaged children in Britain and in Africa. Around one-third is given to projects working in the UK and around two-thirds goes to projects working in Africa.

- It was British comic Lenny Henry who came up with the idea. «Why not have fun and help people at the same time?» he thought. Other comics liked the idea and in 1985 a special organization - Comic Relief - has raised over \$300 million by involving the public and celebrities in fun events.
- The symbol of Red Nose Day is the clown nose. Each year a different red nose is sold. Since 1985 there have been all kinds of noses: boring plain ones, the ones that looked like faces, then the ones that squeaked, then the ones that changed colour when they got hot, then the ones that stuck their tongues out when squeezed.... And this year's noses had fuzzy red hair which you could as you pleased (it came with its own gel!)
- Buying a red nose is one of the ways of giving money to Comic Relief. It costs 1 pound and at least 70 p goes to charity. Five million noses were sold in the UK in the week before March 14th.

Цветное сочинение

Я очень люблю природу. Каждый год мы всей семьёй: мой брат, мама, папа и бабушка с дедушкой и я - ездим в одно волшебное **радужное место**. Там огромной высоты тополя тянут свои могучие ветви к **лазурному** небу и распускают нежные **золотистые** почки. Молоденькие липкие **зелёенькие** листочки только-только начинают раскрываться.

Чуть дальше, на полянке, прямо из под **чёрной** влажной земли поднимают свои нежные головки **синие и фиолетовые** подснежники. Уже через несколько дней, выгорев на солнце, они станут **светло-серыми**, почти белыми.

А жарким летним днём здесь стоит невообразимый нежный аромат душистого чабреца и мелких **бело-розовых** цветков земляники.

А небо такое **голубое**, такое чистое, что хочется полететь, как птица, над этой красотой!

Немного позже начнёт поспевать **алая земляника**, затем **тёмно-бордовыми** бусинами повиснет на низких кустиках сладкая вишня. И весь луг покроется **разноцветным ковром** полевых трав и цветов.

Это место не сказка, это - малая родина моего дедушки. Когда-то давно здесь была деревня с красивым названием Бубны, где он родился и рос. Деревни нет уже 30 лет, но мы каждый год приезжаем сюда, где воздух особенно прозрачен и свеж, а вода чистая, как слеза! Мы возвращаемся туда, где жили мои прадеды.
