Course: 2

Subject: English

Lesson №8

Unit 2. Kazakhstan

The Theme of the lesson: Preservation of cultural heritage of Kazakhstan.

The background of the slide is a blue rectangle with rounded corners, featuring the national flag of Kazakhstan. The flag consists of a light blue field with a golden sun in the center, surrounded by 32 rays. A golden eagle is positioned behind the sun, with its wings spread. On the left side of the blue field is a vertical golden ornament known as a 'shanyrak'.

Preservation of cultural heritage of Kazakhstan.

Read the text and translate

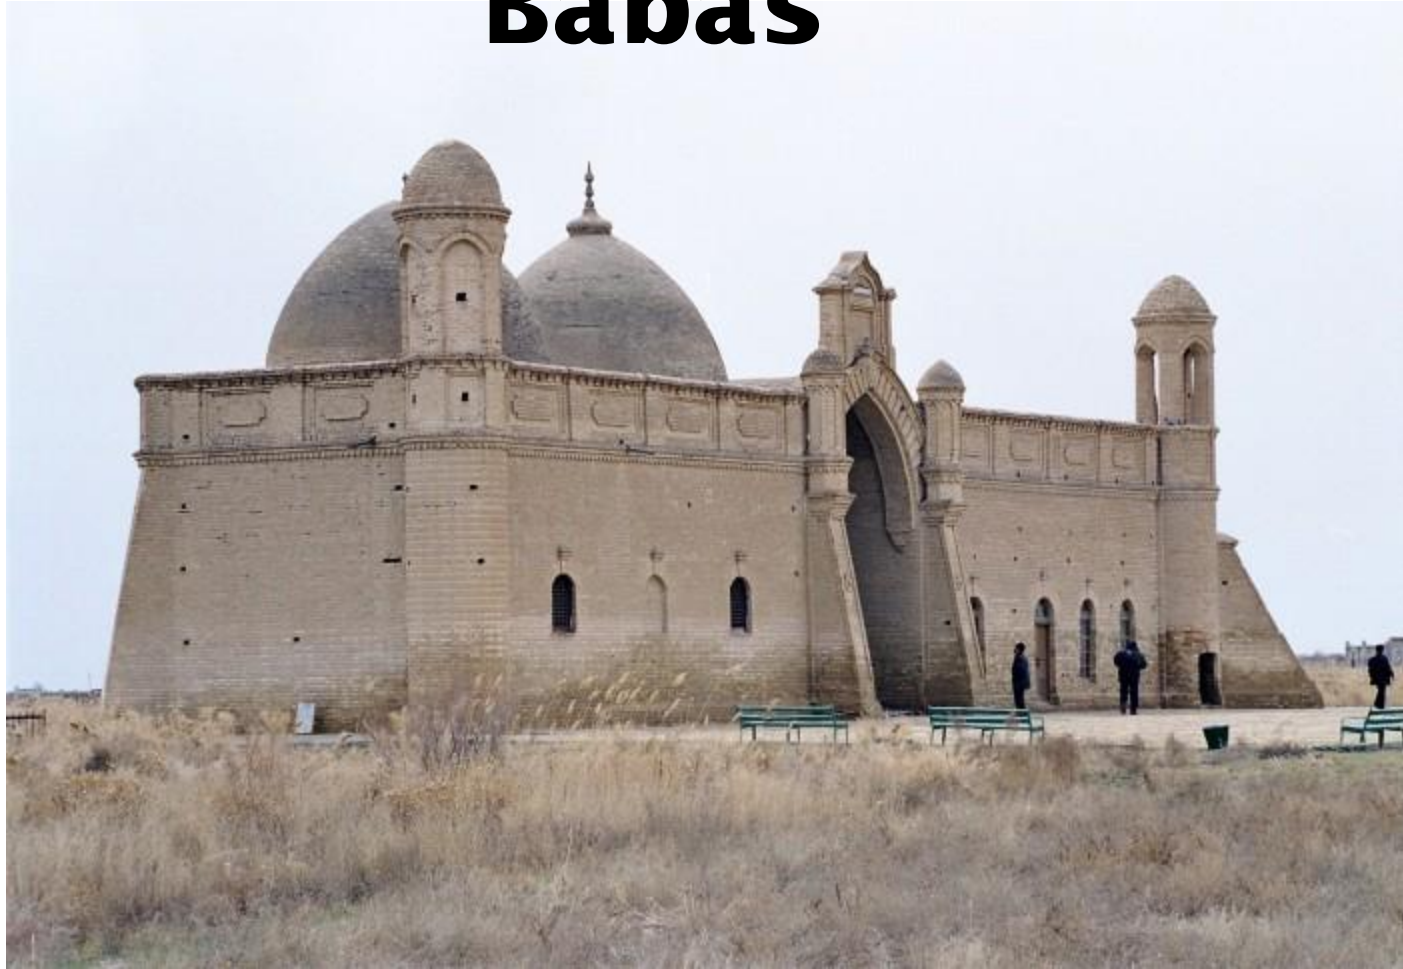

Culture is a reflection of the nation, its soul, mind and nobleness. Civilized people is proud of its history, the development of culture, great people, made famous the country and made a huge contribution to the Golden Fund of world achievements of thoughts and art. It is through culture, traditions nation becomes known.“

N.. Nasarbaev
