

My favorite holiday

Pastuhova Sveta 1Б

Christmas is a festival in honor of the birth of Jesus Christ. Celebrate it on January 6.

I like to celebrate Christmas, observing all
the old traditions

Christmas is an Orthodox holiday

There are So many historical facts related to Christmas

For example,
The Christmas tree ball is actually a stylized paradise apple. Earlier Christmas trees at Christmas were decorated with this fruit - by analogy with a paradise tree. Then, gingerbreads and other edible ornaments joined the apples. The Christmas tree branches could hardly hold such a weight. And instead of apples came up with hollow glass balls.

The word "Christmas" (Christmas) came from the Old English "Mass of Christ" - "the Mass of Christ."

The stocking in which gifts are placed is connected with the story of St. Nicholas (Santa Claus, Nicholas the Wonderworker): through the chimney he threw three sacks of gold to the poor man's family. Pouches fell into stockings and shoes, which were dried near the fireplace.

On Christmas we greet each other with the words: "Christ was born!" And answer these words: "We Praise Him!".

Christmas is always beautifully decorated home

At Christmas traditional dishes are prepared:

Crock

Christmas goose

Christmas pudding

Kutya

Kozuli

I like Christmas, it is very
beautiful holiday
