OSCARS

- *The Academy Awards, or "Oscars", is an annual American awards ceremony hosted by the Academy of Motion Picture Arts and Sciences to recognise excellence in cinematic achievements in the film industry.*
- *The awards, first presented in 1929 at the Hollywood Roosevelt Hotel.*
- *The awards ceremony was first broadcast to radio in 1930 and televised in 1953.*

DOLBY THEATRE

In 2002, the Kodak Theatre (now known as the Dolby Theatre) became the current venue of the presentation.

Why Oscars is called Oscar?

Officially named the Academy Award of Merit, the statuette is better known by its nickname, Oscar. While the origins of the moniker aren't clear, a popular story has it that upon seeing the trophy for the first time, Academy librarian (and eventual executive director) Margaret Herrick remarked that it resembled her Uncle Oscar. The Academy didn't adopt the nickname officially until 1939, but it was widely known enough by 1934.

Let's back to the statue..

The statue of an Oscar represents a knight (лицар) standing on a reel of film (кіно бобіна, або катушка плівки) holding a crusader's sword (меч хрестоносця). The film reel has five spokes (спиці), signifying the five original branches of the Academy: actors, directors, producers, technicians and writers.
