My Family.

I am Jane Brown. I'm 12. I'd like to tell you about my family. I've got a mother, a father, an elder brother and a younger sister. My grandma and granddad don't live with us. They live in another city. My grandparents are very kind and we love them very much.

My mother's name is Mary Brown. She is 35. She is a beautiful slim woman. She likes cooking very much. Her cakes are so tasty!

My father's name is Paul Brown. He is 1 year older than our mother. My dad is a strong handsome man. He enjoys repairing his car.

My sister Susan is 4 years younger than me. She is a pretty and smart girl. Susan likes walking with our dog in the park not far from our house. And she also often plays with her dolls.

My elder brother John is a tall boy of 14. He is clever and sociable. His hobbies are playing computer games and football.

As for me, I prefer reading books when I have free time. On Sundays I go shopping with my mum. I enjoy shopping.

Our family is friendly. We always help each other. And we love each other too.
