

The presentation on a subject:
Mowgli's children.

Pupil of 6 V of a class
Krutov Pavel

***Mowgli's children are the children who grew up in the jungle.
In the world there are much cases at which there are Mowgli's
children and stories.***

In the world there are a lot of similar cases:

- 1. Sick children of whom parents wanted to get rid***
- 2. Children who got lost in the forest.***
- 3. Females of animals who lost the cubs captured babies and carried away in pack.***

The most famous children-maugli

Ukrainian girl dog

Parents left to live Oksana in the doghouse and she barked up to twenty years.

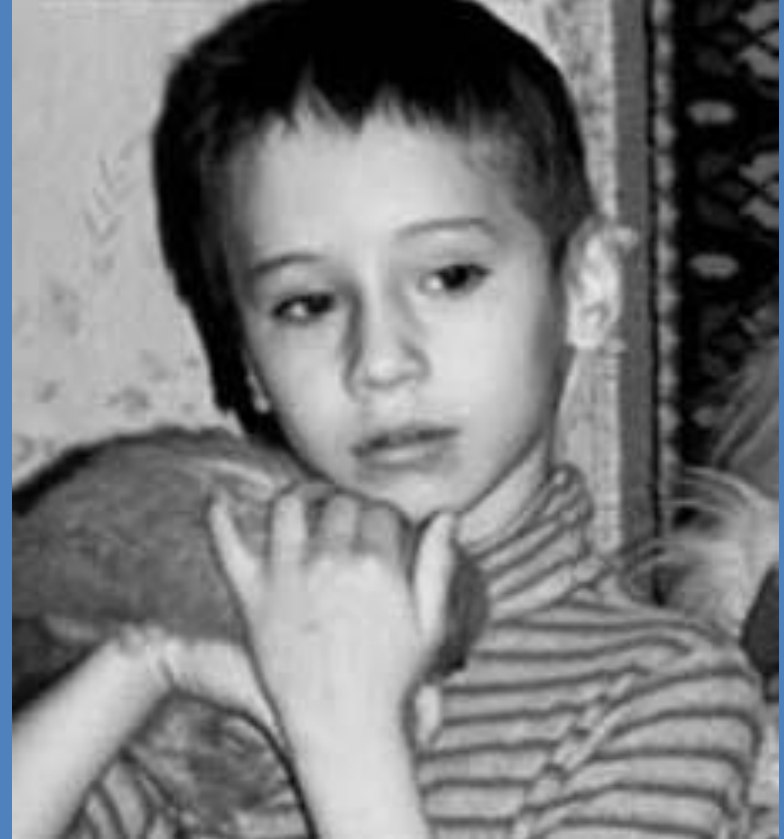

The child monkey from *Uganda*

*Four-year-old John ran away into the
jungle where he was grown up by
green monkeys. Today John to speak
and sings*

Boy bird

The boy thrown by parents in Volgograd talks chirping. Did not learn to speak still. He is 6 years old

Cambodian girl of the jungle

***Rochom Pyengeng - it was lost also
in dzhunglya also lived in them 18
years***

Madina

Madina lived with dogs, to 3 years. She was found and she leads a normal life

Amal and Kamal

These two girls at the age of 8 years (Kamal) and 18 months (Amal) were found in a den of wolves in 1920.
