

AFRICA

Interesting facts

Below are a variety of facts about Africa - geographical, economic, political, and many others. Of course, these are not all facts about Africa, it would be impossible to list all the facts about this continent, but nevertheless, these are interesting and curious facts.

Women of the Mursi tribe wear lip plates, which can be up to 12 cm in diameter.

Most of the best runners in the world come from one tribe in Kenya called the Kalenjin.

Today, Bushmen living in southern Africa use the same tools as those found in a cave inhabited 44,000 years ago.

In Africa, as in Asia, people have to go an average of 6 km a day to get water for different purposes.

The total number of HIV infections in Africa is estimated at 25 million. Only 24 percent of residents of the villages of Black Africa have a standard of sanitary conditions. In urban areas, the figure is 42 percent.

Over 100 million Facebook accounts have been registered in Africa.

Africans are big fans of semolina. It is a side dish to meat and vegetable dishes. Also without semolina it is impossible to imagine African couscous – one of the traditional dishes.

A cow in Africa is too valuable a resource to kill it for meat, but to extract fresh blood can be almost without damage to the animal. Combined with the cow's own milk, this blood gives African tribes all the necessities of life during times of drought and during periods when there is no possibility to get hold of other foods.

Large blue-green caterpillar of the butterfly of Pawlikowski valuable, and most importantly, free source of protein for people in many African countries. Caterpillars are harvested on trees, boiled and dried in the sun before eating. In South Africa, where mopane are considered a delicacy, grown in special farms and often served even in restaurants.

Ridiculous laws of Africa

In Africa it is forbidden to shoot in the shadows.

In Africa, students are allowed to come to the exam drunk only if they woke up in a bad mood;

In Africa people are not allowed to rap in a Duo with a kangaroo;

In Africa people can't use public transport if it touch phone;

In Africa, the man who accidentally spilled tea on you, will be imprisoned for two days.

Question “How much does a good wife cost?” many African tribes are far from idle. About marriages here, arranged by the parents of the bride parents of the groom or by the groom, they also determine how much you want to for daughter. And young women have practically no rights, only duties.

A small dialog with a young woman from
winefish the Arbore tribe:

– What's your name?

- White and black cow.

In response to the surprised exclamation:

– This name was given to me by the husband
after the wedding.

The most expensive costs to the man's first wife. Subsequent would be slightly cheaper. The wife will do all the work at home. In some parts of West Africa, it is forbidden for a woman to climb a coconut tree not only because it is offensive to male dignity, but also because it can punish the entire tribe by supernatural forces.

Africa is a very interesting country. Here you can see a lot. Different people of different cultures live in Africa. Despite the fact that Africa is the richest country in the world but at the same time poor. So many tourists and people from different countries every year to help poor people.

THE END
