Russian biathlete, Olympic champion in 2014, bronze medalist of the 2010 Olympic Games, fine –time medalist of world championships. Winner of the Small World Cup mass start competition(2014-2015).

The absolute champion of Europe among juniors in 2008.

Two-time winner of the Race of Champions in mixed relay race, two-time winner of the Race of Champions in the mass start.

Honored Master of Sports of Russia.

Shipulin Anton

Anton Shipulin was born August 21, 1987 in Tyumen. From childhood he was fond of sports. This is not surprising, because his father Vladimir Ivanovic and mother Alla Abushaevna professionally engaged in skiing and biathlon, they are master of sports . Decision to move to biathlon was made under the influence of their elder sister Anastasia (Olympic Champion).

Anastasia Kuzmina

Shipulin Anton

15 years moved to Khanty-Mansiysk. He enrolled in the sports school, where the first steps in biathlon coach helped him to do Mikhail Novikov. In 2004, After finishing training in secondary school and sports, Shipulin returned to Tyumen. In his hometown he entered the Institute of Law. Anton performed successfully in junior competitions, and after he twice won the first prize at the European Festival, invited him to his famous coach from Ekaterinburg Vladimir Putrov.

Shipulin Anton

In 2006 Anton moved to Ekaterinburg and started to train here. In the same year he became world champion in the age group up to 19 (U19) as part of the Russian relay team. These competitions were held in Presque Isle(United States). At the 2008 years World Championship in Ruhpolding, Anton won in four disciplines three gold medals and one silver. This is the best result for the Russian juniors in history! In the same year Shipulin became a European Championship triumph (U21). He was able to win 4 gold.

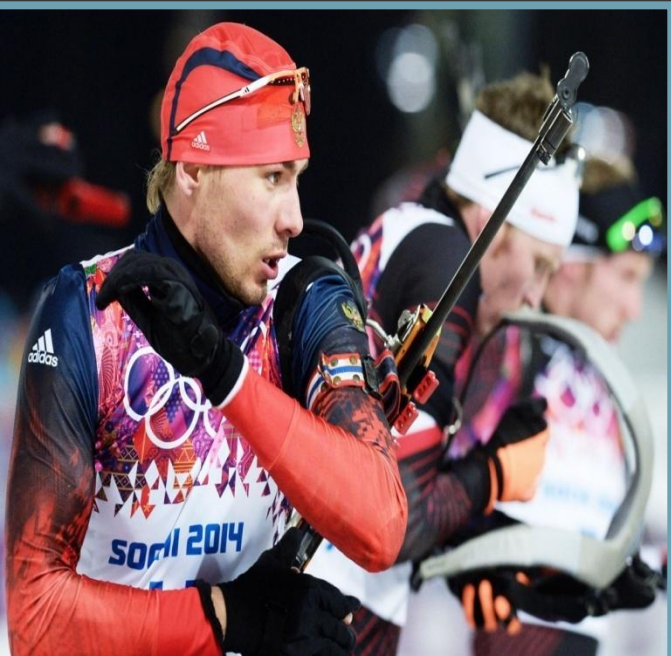

Shipulin Anton

In late 2008, Anton Shipulin debuted in the Cup IBU. At a stage in Martel-Van Martello (Italy) young biathlete for the first time became the winner in the men's competition. In the pursuit race, held on December 10, he won the bronze medal, although he had only 18 start number by the end of the sprint. 2009 young biathlete World Championship coaches do not have. But Shipulin had the opportunity to speak at the European Championships in Ufa, where the international tournament among men prizes in his piggy bank two bronze medals. In January 2009 for the first time I made the World Cup.

The next season, he confidently spoke at the December and January at the World Cup Pokljuka (Slovenia) Anton for the first time he entered the top six, finishing in fifth place in sprint. In Ruhpolding relay won the first victory in the World Cup. Vancouver victory in the sprint race; third in the pursuit at the World Cup Antholz (Italy); and 2010 Olympics in Vancouver, Canada Anton won the bronze in the men's relay.

In the 2011-2012 season he won the high eighth place in the overall World Cup, received a bronze medal at the World Championships in Ruhpolding, successfully participated in the pursuit. World Championships 2013 in Novo Mesto (Czech Republic) took the second place in the mass start, and third place in the pursuit; he entered the top ten at the end of the World Cup.

Season 2013-2014 year began for the men's team is not too successful, but the main start in Sochi, Russian biathletes were fine gold in the men's relay.

June 20, 2015 he married Louise Sabitova. December 15, 2015 Anton son.
The athlete is the founder and head of the charity fund. This fund supports young athletes and children's homes, in favor of building initsatorom.
