The background of the slide features several faint, concentric circles in a lighter shade of blue, resembling ripples on water, located in the lower right and bottom center areas.

POEM

***There is a flower in the field
sitting still though the wind
blows***

***For it can be seen in bending
leaves that the trees waves so
But how it stand upon the land
and never wave nor bend
Is nothing new for she hold
true and doesn't bend with
every wind.***

My native place

I was born in a small town where my granny lived, Miass. But a few years later my parents decided to move to another place because they got jobs there.

My native place

So, now I live in a wonderful town of Magnitogorsk, which is located in Chelyabinsky region. The town is divided into several parts but the main division may be as follows: Europe and Asia. Different concerts and international festivals are held here, there are many attractive sights. However, the main tourist attraction is our Magnitogorsk Iron and Steel Works which has become a great tourist attraction of my town and an important part of the local economy. The streets are full of people the roads are full of cars as in any other town or

My native place

It is the place where you can easily find lots of cafes, restaurants and hotels. In general, the town is highly industrially developed. There are a lot of plants and factories. At the same time it is a student town due to many educational establishments and schools. In addition, if you like to do outdoor activities or relax in the nature, there are a lot of parks and gardens, which, by the way, make the town look green and fresh in spite of the fact that it is known as a very polluted land. I am sure that people of ages can find what to do in Magnitogorsk because there is a lot of entertainment there, which varies

My native place

This is the town of contrasts. I am really glad that I am its citizen.
