**Hello! I'm Luis, I'm from Spain. Now I'm living at Peter's house. I have a small family. We are four members: my father, my mother, my sister and myself. My mother's name is María. She is a secretary. She likes her job and cooking. She can't stand reality shows. My father, Francisco, is a teacher. He loves to teach and to play basketball with his students. He hates garlic. My sister's name is Marta. She is ten years old. She likes reading and she doesn't like mathematics. And about me, I like to study English and play video games. I don't like boxing because I think it is aggressive, I prefer football. We love to have dinner together.**
