Презентация урока английского языка

(C) Ливенцева И.Ф., к.ф-м.н.
Гимназия №56, 2007 г.

Цель урока

Цель урока состоит в расширении и тренировке вокабуляра по теме «Интернет», которая входит как составляющая часть в экзаменационную разговорную тему «Средства массовой информации».

Пояснения к презентации

Настоящая презентация представляет собой дидактиче- ский материал, сопровождающий урок английского языка для учеников 8 класса гимназии. Урок должен проводиться после изучения модуля «Интернет» в учебнике “Opportunities” Pre-Intermediate. Презентация направлена на закрепление и расширение полученного учащимися материала в форме наглядных упражнений. Та часть презентации, где приведен диалог позволяет не только тренировать слова темы, но также вводят разговорные штампы (chunks of language), часто употребляемые в разговорной речи. Урок заканчивается аудированием по теме.

search engine	websites		screen

When you want to find information on the web, it is helpful to use a search engine such as Google or Yandex. You type in a keyword or a phrase, click in "GO" and a list of websites appears on your computer screen. Many people use the web for online shopping or banking. To enter a secure site, you usually need to enter your username and a password.

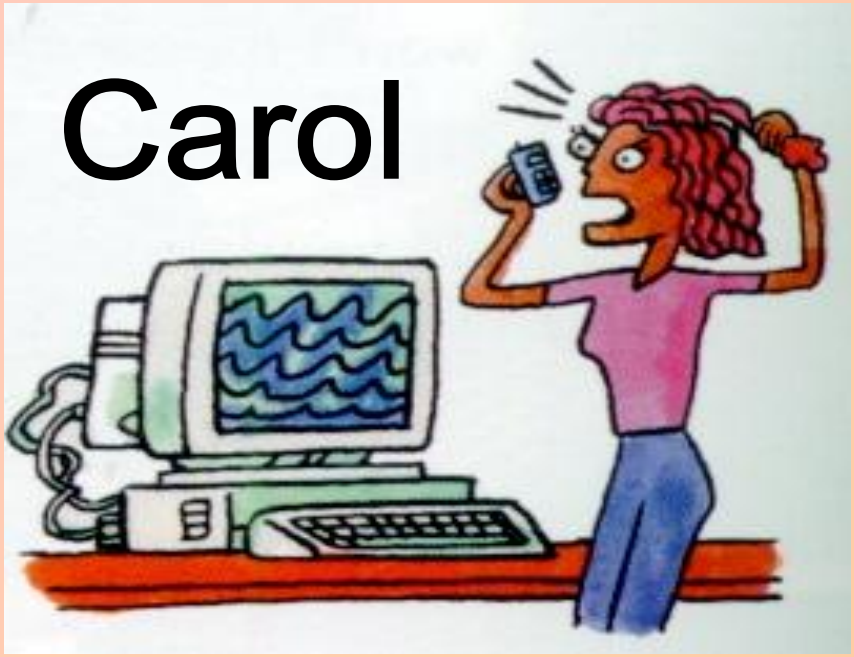
Ron

Carol



No problem at all, you could do.
Switch it off and start again.

Well, that will help?
Yes, it might work.

I'm not getting anywhere.
Perhaps I'm not trying hard enough.
