

The background is a deep blue gradient filled with a field of small, light blue stars. Overlaid on this are several faint, white circular patterns. A large circular scale on the left side features numerical markings from 140 to 260 in increments of 10, with smaller tick marks between them. Several concentric circles and arcs are scattered across the image, some with small arrowheads indicating a clockwise direction. The text 'CAMBRIDGE UNIVERSITY' is positioned in the upper right quadrant in a large, white, bold, italicized sans-serif font.
