

The USA. Places of Interest in the USA.

The United States of America (USA) is a federal republic consisting of 50 states and a federal district. The 48 contiguous states and the federal district of Washington, D.C., are in central North America between Canada and Mexico. The state of Alaska is the northwestern part of North America and the state of Hawaii is an archipelago in the mid-Pacific. The country also has five populated and nine unpopulated territories in the Pacific and the Caribbean. At 3.79 million square miles (9.83 million km²) in total and with around 317 million people, the United States is the fourth-largest country by total area and third largest by population.

Places of Interest in the USA

There are lots of places and things to see in the USA, so a week or two wouldn't be enough to see all places of interest. Besides the USA is quite a remote country for many other world countries and continents. For example, to reach it from Russia takes a whole day on a plane.

Statue of Liberty

Grand Canyon

The Empire State Building

So, most people, who wish to see the places of interest in the USA, try to spend at least a month there travelling from state to state. And it's a wise decision, because it's worth it. One of the main places people want to visit is the capital of the USA, Washington D.C. It's a small city of mainly political importance. The White House is situated there.

Other cities worth visiting are New York, Los Angeles, Las Vegas, Atlantic City, Philadelphia, Boston, and many others. All the mentioned cities have a lot to offer.

New York

Los Angeles

Las Vegas

For example, New York is the largest city of the country and one can see many skyscrapers in this city. Philadelphia is the city where the Declaration of Independence was signed and the main sight of the city is the Liberty Bell. Both Las Vegas and Atlantic City are world famous with its numerous casinos and entertainment facilities. The largest and the most prestigious university of America is situated in Boston. It's Harvard. Los Angeles is the home of Hollywood. Other than that, all tourists of the USA want to visit the Great Lakes, and also to swim in the oceans.

The Niagara Falls
