

NEW YEAR IN CHINA

- Chinese New Year is celebrated on different days because last year it was on 18 January in this holiday has to be celebrated on 7 February

- This holiday, they eat fish or other different dishes. People celebrating Christmas dinner at home, not in restaurants.

- 
- New Year fireworks to symbolize the New Year and that there was no evil.

- New Year's Eve under the Christmas tree are Chinese red envelopes and gifts to different sweets

- A very important Chinese New Year tradition is to take a photo with your family
