Flag and coat of arms

Belarusian Belazy

- The Belarusian Automobile Plant is the pride of the former USSR. It is located in the city of Zhodino in the Minsk region and covers an area of 116 hectares. Previously, the plant produced up to 5 thousand cars a year and provided jobs for 12 thousand people.

BELAZ

Belarusian Bison

- The bison is the heaviest and largest terrestrial mammal in Europe, but at the same time, at the end of the 19th century there was a tendency to decrease the size of the European bison. In the first half of the 20th century, adult males of the Belovezhskaya subspecies were encountered, reaching a mass of 1,200 kilograms. Adult bulls of the Caucasian subspecies were slightly lighter - their mass averaged 480 kg, not exceeding 700 kilograms in the largest animals.

Belarusian Bison

.Kommunarka

- "Kommunarka" - one of the largest confectionery factories in the confectionery industry in Belarus
- The history of the enterprise "Kommunarka" began on January 11, 1905, when the Minsk City Council received for the first time the trade certificate "Coffee-house with confectionery, bakery confectionery products of Georgy Vekentyevich Rachkovsky".
- In 1910 - it is "Confectionery and confectionery shop", by 1914 - "Confectionery factory Georges".

- 
- Since the late 50's, the company's management has begun to attach special importance to the development of new recipes for confectionery.
 - 1957 - "Chocolate Bottles";
 - 1959 - sweets "Grill in chocolate";
 - 1960 - candies «Soufflet»;
 - 1961 - sweets "Capital";
 - 1965 - chocolate "Alenka";
 - 1967 - Candy "Little Red Riding Hood".

JSC "Agrokombinat" Dzerzhinsky "

In 1977, after the township of Fanipol, the construction of the Dzerzhinskaya broiler poultry farm was started. The choice of location was successful both from an economic and ecological point of view.

At the beginning of 2014 JSC "Agrokombinat" Dzerzhinsky "celebrated its 35th anniversary.
