

About myself

PREPARED BY N. A. SYCHEV
I COURSE OF NATURAL-GEOGRAPHICAL FACULTY,
CHEMISTRY DEPARTMENT

let me introduce myself

- I was born on June the 27, 2000 in Ryazan.*
- Ryazan is very beutifull city, with a lot of museums.*

- I finished school number 40 in 2018.
- I am a first year student of Ryazan State University named for S. Yesenin.

- ❑ I like chemistry.
- ❑ Chemistry is the science of substances and their properties.
- ❑ I want to do scientific research in the field of chemistry.

- When I have some free time I like walk.
- Sometimes I read a books.
- Also I like to sing and dance.

- People who know me well, say that I am a reliable and kind person.
- But sometimes I can be lazy.
- I have several bad habits, for example, drinking a lot of coffee.

Thank you for attention
