New York City

Statue of liberty ↴

The symbol of the United States the Statue of Liberty. Each of the millions of visitors each year to visit a small island on which the statue pays tribute to its beauty and grandeur.

- New York City or the City of New York - the metropolis of the world values and the largest city in the United States with a population of over 8.3 million people. Is the economic and financial center of the United States of America, as well as one of the most famous cities in the world. New York city is the center of a huge city Metropolitan area called "Greater New York" or Metropolitan New York. The population of the greater new York city more than 19 million people, ranking it second only to Tokyo, Seoul and Mexico city.

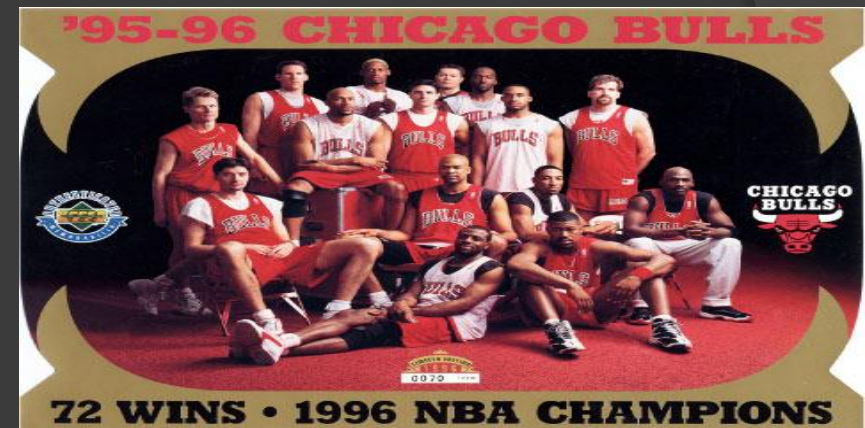

Wall Street ↴

- New York is a global symbol of capitalism, especially clear tourists when , seeing Wall Street or skyscraper Rockefeller center.

Chicago

In 2012, Chicago hosted 46.37 million international and domestic visitors, an overall visitation record. Chicago's culture includes contributions to the visual arts, novels, film, theater, especially improvisational comedy, and music, particularly jazz, blues, soul, and the creation of house music. The city has many nicknames, which reflect the impressions and opinions about historical and contemporary Chicago. The best-known include the "Windy City" and "Second City." Chicago has professional sports teams in each of the major professional leagues.

The Chicago Bulls are an American professional basketball team. They are known to have one of the NBA's greatest dynasties, winning six NBA Championships between 1991 and 1998. All six championship teams were led by Hall of fame Michael Jordan, Scottie Pippen and coach Phil Jackson. The Bulls are the only team in the NBA championship history that has never suffered a defeat in the final in the history of the NBA.

Chicago was incorporated as a city in 1837, near a portage between the Great Lakes and the Mississippi River watershed, and experienced rapid growth in the mid-nineteenth century. Today, the city is an international hub for finance, commerce, industry, technology, telecommunications, and transportation, with O'Hare International Airport being the busiest airport in the world; it also has the largest number of U.S. highways, and railroad freight entering its region. In 2012, Chicago was listed as an alpha global city by the Globalization and World Cities Research Network, and ranks seventh in the world in the 2014 Global Cities Index. As of 2012, Chicago had the third largest gross metropolitan product in the United States, after the New York City and Los Angeles metropolitan areas, at a sum of US\$571 billion.

LAS VEGAS

- Metro-Goldwyn-Mayer Studios Inc. (also known as Metro-Goldwyn-Mayer Pictures, Metro-Goldwyn-Mayer, or simply MGM), is an American media company, involved primarily in the production and distribution of films and television programs.

Once the largest and most glamorous of film studios, MGM was founded in 1924 when the entertainment entrepreneur Marcus Loew gained control of Metro Pictures, Goldwyn Pictures Corporation and Louis B. Mayer Pictures. Its headquarters are in Beverly Hills, California. It's one of the oldest mini-major film studios and a former major film studio.

San Francisco

- Today, San Francisco is one of the most prosperous cities in the US, and is the fourth largest. We can safely say that San Francisco is a world tourist destination. With a well-developed infrastructure, the city is very popular among tourists, which, in turn, brings great income to the treasury

- San Francisco is famous for its many attractions, and curious visitors of this vibrant city will be something to see. For example, the pride of the State of California - the golden bridge - one of the largest suspension bridges in the world, or as it is called - "Golden Gate", which seemed to "admit" the Pacific Ocean to the Gulf. Bridge impresses with its size, its length is about two kilometers, and the maximum height - 67 meters.

Los Angeles

- Los Angeles is very big, noisy and famous all over the world because there is Hollywood. In Hollywood American films are made. And near Los Angeles there is wonderful fairy land called Disneyland. In Disneyland you can see the characters from Walt Disney's films.

DETROIT

© Alexander Belenkly | macos.livejournal.com | MacOS.ms

Detroit is located in the north of the United States and is one of the largest cities. The city is located on the border with Canada, in the state of Michigan. Detroit was founded in the early eighteenth century. Detroit is the oldest city of the Midwest and having the glory of the automotive capital

Michigan theater

Despite the overall decline of Detroit, there is still the headquarters of General Motors, in the suburbs of Detroit - Dearborn is the headquarters of Ford Motor Company, and in Auburn Hills - Chrysler. Downtown, though sparsely populated, but also relatively safe, it remains a collection of cultural and sports centers, as well as architectural monuments of the past century and continues to attract tourists.

Thanks for Watching
