

WRITING A LETTER ABOUT NEW YEAR IN RUSSIA

NEW YEAR IN RUSSIA

Well,
in Russia people celebrate
New Year
Christmas
Mother's Day
Victory Day

My favourite celebration is

My family decorate a New Year Tree in the living room/in the yard

Glitter ,

fairy lights,

Balls

tinsel

set fireworks,

burn Bengali lights

Russians cook salad Olivye

«Herring under fur coat»

Other tasty dishes

**Listen to the President's
speech on TV**

drink champagne

**Listen to the chimes of
Kremlin clock and
want their wishes come true**

Give each other presents

Or put them under the tree

**The symbols of New Year in
Russia are
Grandfather Frost and Snow
maiden**

***I like New year
very much!!!***
