MATHS

A cartoon illustration of a classroom. At the top, a wooden shelf holds three teddy bears, two red apples, and two books. Below the shelf, a male teacher with brown hair, wearing a blue shirt and tie, stands next to a desk with a computer. To the right of the teacher, three dark blue rounded rectangles are stacked vertically, containing the words 'MATHS', 'TECHNOLOGY', and 'PE'. Below these, a large dark blue rounded rectangle contains the word 'TECHNOLOGY'. A large dark blue arrow points from this rectangle towards the bottom right corner, where a red apple and a pencil are visible.
