3. Travelling by airplane
4. Travelling by train
5. Travelling by ship
6. Travelling by car

Nowadays travelling is a popular activity among people. It is very interesting to see new places, another towns and countries. People like travelling and they travel a lot. They can travel for pleasure or on business.

People began to travel ages ago. The very first travellers were explorers who went on trips to find wealth, fame or something else. Their journeys were very dangerous- but still people keep on going to the unknown lands. Nowadays it is not as dangerous and much more convenient. Do you want to go somewhere? Hundreds of companies are there to help you.

Travelling by airplane

There are various means of travelling. For me there is nothing like travel by air, it is more comfortable, more convenient and, of course, far quicker than any other means. There is none of the dust and dirt of a railway or car journey, none of the trouble of changing from train to steamer and then to another train.

Travelling by train

With a train you have speed, comfort and pleasure combined. From the comfortable seat of a railway carriage you have splendid view of the whole countryside. If you are hungry, you can have a meal in the dining car, and if a journey is a long one you can have a wonderful bed in a sleeper.

Travelling by ship

Trips on cruise ships have a lot of advantages. One of them is the amazing pricing. Most cruise lines are inclusive packages. This includes a person's cruise fare, lodging, food and some onboard entertainment sightseeing.

Travelling by car

And, finally, travelling by car is also very popular in Kazakhstan. A lot of people choose this means of transportation. They don't need to buy, tickets, book hotels etc. They can stop whenever they wish, rest and stay at the same place as long as they want.

I prefer travelling by plane. To my mind, it is the most comfortable and fast means of transportation.

And finally, it is commonly known that travelling is a great thing! Nothing can give you so many positive emotions and memories as travelling to some remarkable country or city.
