Applied Arts

Applied art is the application of design and aesthetics to objects of function and everyday use.

Whereas *fine arts* serve as intellectual stimulation to the viewer or academic sensibilities, the applied arts incorporate design and creative ideals to objects of utility, such as a cup, magazine or decorative park bench.

Applied Arts

The fields of industrial design, graphic design, fashion design, interior design, decorative art and functional (modern architecture) art are considered applied arts.

Many applied art objects are collected, for instance ceramics, textiles, jewelry, glass, furniture, children's toys, cars, electric guitars, as well as various forms of images produced in commercial contexts, such as film posters or old advertisements.
