Алматы 2015

Plan:

- Time of meeting
- Meeting with the Professor
- His different and difficult work

Time of meeting

Because we study in Medicine university every six months for practice we meet with different professors and scientists. Like this meetings help us to improve our lessons. We like them very much and looking forward to them.

Meeting with the Professor

Our last meeting was with Professor Ashimov, doctor of Medicine sciences. Pr. Ashimov is specialized in pediatrics. He is high-qualified doctor and good-natured person. In the meeting we discussed interesting themes.

His different and difficult work

Pr. Ashimov loves children very much, so chosen pediatrics. Pr. Ashimov saves children's lives, thousands families are grateful for him.

During the meeting Professor forced to go away, because was delivered a nine-year boy that needed an urgent help.

Test

1. What is Professor's name:
