Our students attend the world skills competitions of Russia in Kazan every year. We have been the witness of this great event every year since 2014. Also we hope to see the world skills championship in Kazan in 2019.

Firstly we'd like to say some words about this great event. Every two years WorldSkills hosts the world championships of skills which attracts more than 1,300 Competitors from more than 70 countries. At this event, young people from all corners of the globe gather together for the chance to win a prestigious medal in their chosen skill. There are competitions in over fifty skills across a wide range of industries — from joinery to floristry; hairdressing to electronics; and autobody repair to bakery. The Competitors represent the best of their peers and are selected from skills competitions that are held in WorldSkills Member countries and regions.

- As we now Kazan was granted the right to host the 45th WorldSkills Competition after winning a vote by the WorldSkills General Assembly in São Paulo, Brazil on 10 August 2015. Also, bidding for the right to hold Competition were Paris, France and Charleroi, Belgium.
- The Competition will take place in Kazan on 22 - 27 August 2019. The 45th WorldSkills Competition will bring together more than 1,300 young professionals representing more than 70 countries who will compete in over 50 skills. The event will be held at the KAZAN EXPO International Exhibition Centre where more than 1,000 Experts will evaluate the Competitors' work.
