Do you think I should I take the invitation?

I think you should take the invitation. Caves in Scotland are so beautiful. I'm sure you shouldn't miss the chance to go to Scotland. It is important to be able to overcome your fears. Don't be afraid to take risks.

I don't think you should take the invitation. It is too risky. I'm not sure it's a good idea to explore caves in Scotland. There have been a series of accidents recently.

What do you think about extreme sports? Is it worth risking your life for adventure?

Your life is boring if you never take risks. Extreme sports give you a chance to live a full life.

You have only one life and you must not risk it for pleasure. Extreme sports are for silly teenagers.

Have you ever tried any extreme sport?

Last summer I tried rock climbing and really enjoyed it.

I've never tried any extreme sport and don't really want.
