Key features:

Nordic design and build quality means Nokia C20 doesn't just look great, it'll also take on life's little knocks. All day battery life¹ lets you do more of what you love for even longer while the big screen makes everything look better. The latest Android™ 11 (Go edition) and two years of security updates to keep everything running smooth for longer.

The value of quality.

As you would expect from Nordic design, the Nokia C20 isn't just sleek, it's built from quality materials that are made to last.

Family moments. In a flash.

The front and rear cameras come with their own LED flash, so whatever the light, your photos will come out clear and bright.

Big screen. Big entertainment. Big on lasting till the credits.

With a wide HD+ screen, Nokia C20 is big enough for the whole family to gather around and enjoy a movie.

Get faster to things that matter.

Whether you're uploading school assignments, or enjoying your favorite show, with fast 4G internet, you can keep up with everything. With an octa-core processor, you'll be able to get things done, and get them done fast.

Security that keeps getting safer.

With two years of quarterly security updates, your files, videos, photos and data are always in the safest of hands.

Better, smoother, safer.

An impressive phone needs an impressive and trustworthy operating system. Android 11 (Go edition) is exactly that, making it easier and faster to use while the added security features keep everything that's personal safe.

Hold it for longer.

A sturdy polycarbonate shell means Nokia C20 is ready for life's surprises. That's one less thing to worry about.
